- Helps maintain joint flexibility
- Supports skeletal health and healthy teeth and gums
- Helps to maintain normal immune functions
- Helps decrease stress and improve mood
- Increases energy

There's nothing more important than taking care of yourself on a daily basis. With the nutraMetrix® Isotonix Daily Essentials Kit, you can be sure that you're giving your body the essential vitamins, minerals and nutrients it needs, thanks to four essential supplements to promote long-term health and optimal nutrition. The nutraMetrix Isotonix Daily Essentials Kit includes the foundational support of the **nutraMetrix Isotonix Multivitamin without Iron** which supports a healthy immune system, **nutraMetrix Isotonix Activated B-Complex** to help increase energy, **nutraMetrix Isotonix Calcium Complete** to support skeletal health and **nutraMetrix Isotonix OPC-3®** for multifaceted support while also combating free radicals.

Many of us have a tendency to put things off when it comes to our nutrition. Each day is an opportunity to move toward a healthier lifestyle, one step at a time. To prepare for both the day ahead and the days to come, take advantage of the nutraMetrix Isotonix Daily Essentials Packets.
