**Tempe**

Dear Parents of A+ Academy Students,

We are saddened to have to share with you the sad news of Mr. Don Newcomb's passing.

Don was loved dearly by so many. He was a dedicated family man, an amazing husband and father and fondly known as 'Mr. Don' to all our children and families at the Autism Academies!

Mr. Don always had time for our kids, prioritized their needs & was readily available to help them in any way at the drop of a hat! He held a deep passion and love for every single one of them. In return, he received so much joy and happiness from them!

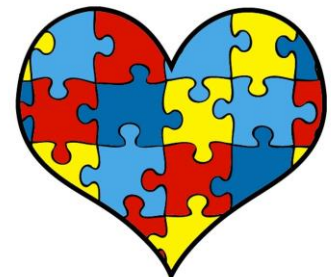

We will miss him dearly and we promise to carry on his passion, commitment and love for children in any way we can.

Thank you for all the love and support, the Newcomb family appreciates it so much!

Sincerely,

Laura, Graham, Kalona and Kalina Newcomb
