Disabled/Displaced Scholarships from School Tuition
Organizations:

Under Lexie's Law, awards are available for students with an Arizona State approved disability (ies) or children who have been through the Arizona State foster care system. These scholarships are available to students K- 12th grade who have a public school IEP, MET, or 504 plan and have attended a public school for the previous school year for 90 days (does not matter what part of the prior year the student attended). For new applicants you need to submit school verification form of attendance.
