

School Tuition Organizations

Please Apply For All Applicable Scholarships

- 1) Disabled/Displaced – **This is the highest funding source for students with Autism.** Under Lexie’s Law, awards are available for students with an Arizona State approved disability (ies). These scholarships are available to students K- 12th grade who have a public/charter school IEP, MET, or 504 plan. There is a prior public/charter school enrollment requirement for students who are currently in 1st-12th grade. **If using this option for funding, Autism Academy only accepts funding based on the primary eligibility of Autism on an IEP or MET.**
- 2) Switcher/Plus – Switching from an AZ public/charter school to an AZ private school.
- 3) Corporate/Low Income – Family income based.
- 4) Individual – Individuals make tax credit donations.

* Each organization has their own application process. Some require a single application for all 4 types of scholarships and some just require a single application for each of the 4 types of scholarships.
