Creating Families, Delivering Dreams

*Building strong families through adoption takes the support of a community.  
At Adoption Dreams Come True, Inc., this is our goal and our dream for the children.*

Dear Potential Sponsor,

Community leaders, like yourself, can make a difference in a child's life by becoming a corporate sponsor for the annual Adoption Dreams Come True, Inc. "Night of Stars" dinner and auction.

This fundraiser will be held at **The Hilton Fort Collins November 16, 2019**. We hope you will join us for this special evening to help us celebrate "our kids" and the wonderful families who have come together to make dreams come true.

### *Why support our "Night of Stars"?*

- ★ We provide free life-long counseling and support to birth parents regarding options for an unplanned pregnancy and offer the information they need to make an informed decision.
- ★ We provide a sliding fee scale for adoptive families to ensure that great parents are not excluded from building their family through adoption solely based on their income.
- ★ It is only through the support and generous contributions from people like yourself, that we are able to make adoption affordable for families and place children in loving homes. The generosity of our donors at past events has raised more than \$600,000, and created hundreds of families. We have served countless individuals in need of additional counseling and services.
- ★ We believe all children have the right to live in a permanent and loving home where they can grow to their full potential. Your sponsorship will help us continue this tradition as Adoption Dreams Come True continues to grow and assume the great responsibility of building families through adoption.
