September Newsletter

News and Notes

Dear Families,
Welcome to the 2017/2018 school year. We are very excited to begin a new year, to meet many new families, and to reunite with our returning families. We hope that you have had a relaxing summer. We already have many wonderful activities planned for the month of September. Weekly lesson plans are posted in the classroom. To the right you will find this month's themes and the skills we will focus on in all areas of learning and development. Informal assessments will be completed for each student this month. Once finished the teachers will share them with you. These help us individualize the program and ensure we are targeting the needed areas of learning and developmental skills. Let us know if you have any questions.
