News, Notes & Reminders:

Well, it is hard to believe that 2018 is already upon us. December was filled with lots of holiday fun and much learning about the different holidays. We talked about Christmas and Hanukkah. This time of year gives us lots of opportunities to talk about how we are alike, yet different. It also gives us opportunities to celebrate those differences by sharing our holidays. We also were very busy practicing for our Holiday celebrations that we hope you enjoyed! January will bring lots more excitement. We will begin our journey into new brand new themes. You will be amazed at the Wonderful things they will be learning.
