Peek at the month

News, Notes & Reminders:

Even though February is the shortest month of the year we have much going on! It is the international month of friendship which we will honor with discussions, stories, and encouragement on how to show love to friends. This month we will review and reinforce colors & number recognition. We have a celebration planned for Valentine's Day and Dr. Seuss's Birthday. We encourage you to bring valentines for your child to share with their classmates. Please let a staff member know if you would like to help at our party.

News, Notes & Reminders continued:

Our February curriculum will feature many creative art explorations using theme colors and shapes to decorate our classrooms. Our reading focus will be on books about love & friendship as well as plenty of Dr. Seuss as we will be celebrating his birthday this month!

A couple of reminders:

- Have a LABLED jacket at school for your child everyday.
- Always have a change of clothes in your child's cubby. If your child is newly potty trained or tends to have accidents make sure we have extra shoes & socks as well!

Thank you!

Happy February ~ The Adventures In Learning Staff
