

We are excited to be offering our special summer camp program to you! There will be all kinds of special visitors and activities like: The Lizard Wizard, Whatever Little Pony, special arts & crafts, sensory play, "splash" days, games and much more! Be sure to look at the weekly lesson plans posted in your child's classroom for details and additional weekly activities!

We have done our best to rotate the days of special visitors and "splash" days whenever possible so all the children, part time and full time, can enjoy the events. Other activities will be done every day so all children can enjoy them!

### Splash Days...

On any day you see "water table" or "water" listed we will be playing with water and your child may get wet. They WILL NOT need a swim suit. They will not be submerged in water. They will be pouring, squirting and having a good time with water so they will get wet. Therefore, please have an extra change of clothes in their cubby just in case they don't dry out once we go inside.

What about sun protection now that it's summer time?

Please apply sunscreen on your child at home and bring a hat and sunshirt (optional) labeled with your child's name.
