PROPERTY SUMMARY

The Daybreak Criations Ranch in Bellvue, Colorado is currently being operated as a family alpaca operation. The ranch contains two residences on \pm 35 contiguous acres.

The property lies at the end of the road offering endless privacy and exquisite views in every direction. Enjoy all of the luxuries of rural living while being only minutes from downtown Fort Collins!

There are two homes on the property, one of which is a newer custom built home and the other has been updated over the years. The main house is wonderfully appointed with timber finishes throughout. The guest house is very nicely finished and offers 1 bed and 1 bath.

Included in the sale are 6 portable sheds, a large barn for animals, and a nice detached garage. The current alpaca operation is an option to purchase for perspective buyer. Come see for yourself!

LOCATION

The Daybreak Criations Ranch is situated along the foothills of Larimer County in Bellvue, Colorado. The county covers approximately 2,634 square miles of which 2,596 square miles is land and 38 square miles is water. Fort Collins, the largest city in the county, is located 65.2 miles north of Denver, Colorado. The property is one mile from Highway 14, two miles from Highway 287 and only 25 minutes to Interstate 25.

ROADWAYS AND TRANSPORTATION

Transportation in Larimer County, located along the Front Range in the northern part of Colorado, consists of more than 1,000 miles of public roads. Interstate 25 runs through the eastern part of the county and connects the state of Colorado to Wyoming and New Mexico. Highway 287 (College Avenue) runs north and south and is a direct route to Colorado State University and the popular Downtown Fort Collins. Highway 14 (East Mulberry Street) runs from Fort Collins to the east, connecting the city to the Eastern Plains of Colorado, and also runs west well into the Rocky Mountains.

ACREAGE & LAND USE

The Daybreak Criations Ranch consists of \pm 35 acres of land. Currently being used as a home site and alpaca ranch. Multiple barns and sheds on site allow for raising a variety of livestock. Two homes sit upon this property with an oversized heated 4-car garage with workshop. There are six fenced pastures ready for livestock.

This property backs to open space and borders state land, allowing for a wide array of privacy and endless mountain views.

Main House: is a three bedroom/three bath custom home built in 1999. The home has beautiful timbers throughout and panoramic views. A large wrap around deck and open floor plan offers excellent flow for entertaining.

Guest House: is a one bedroom/one bath home originally built in 1975. In 2000, the home was updated and is now handicap equipped. There are grab rails, a roll up bathroom sink, step in shower, jacuzzi tub and wider hallways and doors to aid handicap individuals. The home has nice carpet and metal roof.
