POOL OPENING REMINDERS
<ul style="list-style-type: none"> We will notify you at least 2 days before your scheduled opening day. Most pools require at least 2 weeks to balance before being used. Please plan your pool opening accordingly. Mesh covered pools should be opened no later than the first week of May. Remove leaves and excess water from your winter cover prior to your scheduled opening to avoid additional charges. Bring water level up to the middle of the skimmer (5" to 6" from top of pool) so that we can start your system. <ul style="list-style-type: none"> An additional charge of \$125.00 will be charged if a return trip is required to start system. Allow for easy access to any pool accessories, electricity and the use of running water. Provide proper storage (ideally indoors) for your winter cover to help prevent insect and rodent damage.
