

*A National Leader in Character-Based Abstinence Education*

## Title V Abstinence Education Training Certification Professional Training & Technical Assistance

### A&M Resources Title V Professional Training & Technical Assistance

- **Professional Training:** A&M Resources is a leading provider of professional training and certification for character-based abstinence education with federally funded programs. A&M has trained over 3,000 teachers, counselors, nurses, and other professionals on-site in all 50 states as well as the District of Columbia and Puerto Rico. Continuing education units are available in most states. Trainings can be tailored to meet specific needs.
- **Technical Assistance:** A&M Resources provides on-site visits to provide coaching, and program review to ensure best practices of effective implementation. Curriculum author **Scott Phelps** will be on-site to meet with staff, to review program progress, and to provide coaching for individual presenters while programs are in progress.
