

The Apple Tree School

Summer 2019 News

It's time for big fun in the sun! All current Apple Tree preschool students are already enrolled in our thrill-filled summer program. Pick up your calendar of awesome activities at the front desk.

Explore and create every day! We have planned amazing weekly themed fun for everyone! Special visitors will come to see us. School-age campers also go out on field trips twice a week!

Current after schoolers should register for summer camp right away. Space is limited. Turn in your summer registration form today!

Summer Dress Code

Your child does not have to wear uniforms for the summer program. Wear "play clothes" of your choice.

Please continue to wear sneakers to school instead of sandals to keep little toes safe. **Apple Tree shirts are required for all field trips.**

Splash Day

Every Friday during the summer at Apple Tree is "Splash Day". That means the children will enjoy a morning of outdoor water play in our swimsuits, then dry off and change before lunch.

On Splash Day Fridays, please bring your child in the morning **wearing sunscreen and swimwear with or under their clothes.**

Don't forget to pack a towel and make sure your child has clothes (including underwear) to put on after splashing.

Please mark all items with your child's name. Wet clothes and towels will come home in a plastic bag to be washed over the weekend.

Bring Your Wheels

When the summer calendar says to "Bring Your Wheels", your child may bring a bicycle, tricycle, or scooter from home to ride during recess. **HELMETS ARE REQUIRED.**

Please mark everything clearly with your child's name.

Drop off your "wheels" on the blacktop play in the back of our school as you drive around the school in the morning. You may then pick them up from the same spot that evening.

Fall Registration

The upcoming school year begins Monday, August 12th. If you have not already reserved a space for Fall, now is the time before all classes are filled.

Your child's annual registration fee is due now to save your spot. Don't delay. All classes are expected to fill quickly.

Back to School Shopping

We carry uniforms at school for your convenience. One stop shopping is here!

Please keep school uniform policies in mind as you shop for accessories. Sneakers make the best school shoes. They should be black, white, or red. **No glitter, sparkles, or lights please.**

Red, black or white cardigan sweaters may be worn over the Apple Tree polo if your child gets cool in class.
