

Thank you for your cooperation with our COVID-19 protocols. Drop off and pick up at the side entrance continues as we take precautions to minimize traffic inside the building for everyone's safety. Thank you for your patience.

We will continue to check your child's temperature before they enter each morning. BIG THANKS to our entire staff for their loving care. From mask-wearing to hand-washing and sanitizing equipment throughout the day, all of our efforts are working to keep your children safe and healthy at Apple Tree.

## Our Giving Tree

The Giving Tree is a holiday tradition at the Apple Tree School. As the holiday season approaches, we ask for that you donate to our Giving Tree a bit differently this year. We are collecting health and safety supplies for our school. When you go shopping, please pick up some extra cleaning supplies to donate – bleach, disinfectant, wipes, paper towels, hand sanitizer. All donations are appreciated. We sincerely appreciate your continued support.

## Kid Reports

We are now using Kid Reports to provide digital daily reports for our parents. Teachers can even add pictures and videos of our awesome classroom activities. What a wonderful tool to keep you informed of details about your child's day!

## We Are Readers

Scholastic flyers are sent home for you every month. They will vary by season and your child's age. Book orders can be submitted to us at school with a check or anytime at [www.scholastic.com](http://www.scholastic.com). Use our school code GWP7B.

## Changing Weather

As the days get cooler, your child may want another layer to wear with uniforms. Please be reminded of our dress code: red, black, or white cardigans may be worn in class over uniforms. The other option is an Apple Tree sweatshirt. Yes, we have them in stock for you today! Remember to mark all of these items with your child's name.
