AQUATHIN® is proud to present the new and improved AQUATHIN® KITCHENTOP Water Purification System. The most beneficial kitchen appliance your family will use. The graceful transparent contours and gemlike facets of the cabinet enhance any kitchen and render the AQUATHIN® a masterpiece of craftsmanship. The advanced molecular structure of the LEXAN® cabinetry assures crystal clear clarity and clean refreshing taste. This technological triumph utilizes the superior purification methods of Reverse Osmosis plus Deionization, a patented process by AQUATHIN®. Test us against any other purifier (even a distiller) and satisfy yourself. The AQUATHIN® is specially designed to remove salts, nitrates, heavy metals, chemical pollutants, pesticides and disease causing waterborne microorganisms...

...For the Best Taste In Life.

Space Saver RO/DI Water System Model SS-90

AQUATHIN® is pleased to present the new Space Saver Water Purification System. The classic stainless steel and mirror like ends compliment any kitchen. Includes the same efficient process found in the Kitchen Top models.
