

FREE BACHELOR'S DEGREE COMPLETION PROGRAM

Free bachelor's degree for you and your family members!
A life-changing opportunity from your union.

Free Bachelor's Degree Completion:

AFSCME has partnered with Central State University (CSU), a regionally accredited public, non-profit university, to provide members and their families the opportunity to complete their bachelor's degree - FOR FREE. And, to meet growing demand, we've now added Franklin University. This accredited non-profit university is a leader in helping busy adult learners finish their degrees.

CSU's program is for students who have already earned an Associate Degree or 60 credit hours with a 2.2 GPA. Students who have not met that threshold may begin with the AFSCME Free College program at EGCC, then transfer into the Bachelor's Degree Completion program. **Franklin University's programs are for students who do not yet have a Bachelor's Degree, but who have earned an Associate Degree in the subject area.**

Zero Out-of-Pocket Costs

Members and eligible family members can earn a degree online, with no out-of-pocket costs. A last-dollar scholarship covers the difference between any federal grants and your tuition, fees and e-books.
