HOW IT WORKS

MODEL AWG-H15 SHOWN:

Run Power:	17.5 kW	Height: 70" 178 cm
Humidity Range:	30-100%	Width: 48" 122 cm
24hr. Capacity:	240 gallons : 912 Liters	Length: 58" 147 cm

Sophisticated, durable, yet simple; our water generators preserve natural elements while creating pure water from filtered air.

THE AWG-H series produces and purifies water by:

- Converting natural vapor into Water
- Saving the aquifer

*Just wait until you get to
brush your teeth with
AwG Water!*

AwG global quest has begun, but are we serving you, our Florida neighbor? **Quench Innovations** distribution team is here to oversee and resolve our neighbors' water challenges, then go on to watering the Globe!

What We Are All About

Quench Innovations delivers high-quality Water Generators - first to our neighbors, then on to the Globe:

Quenching Thirst Globally!

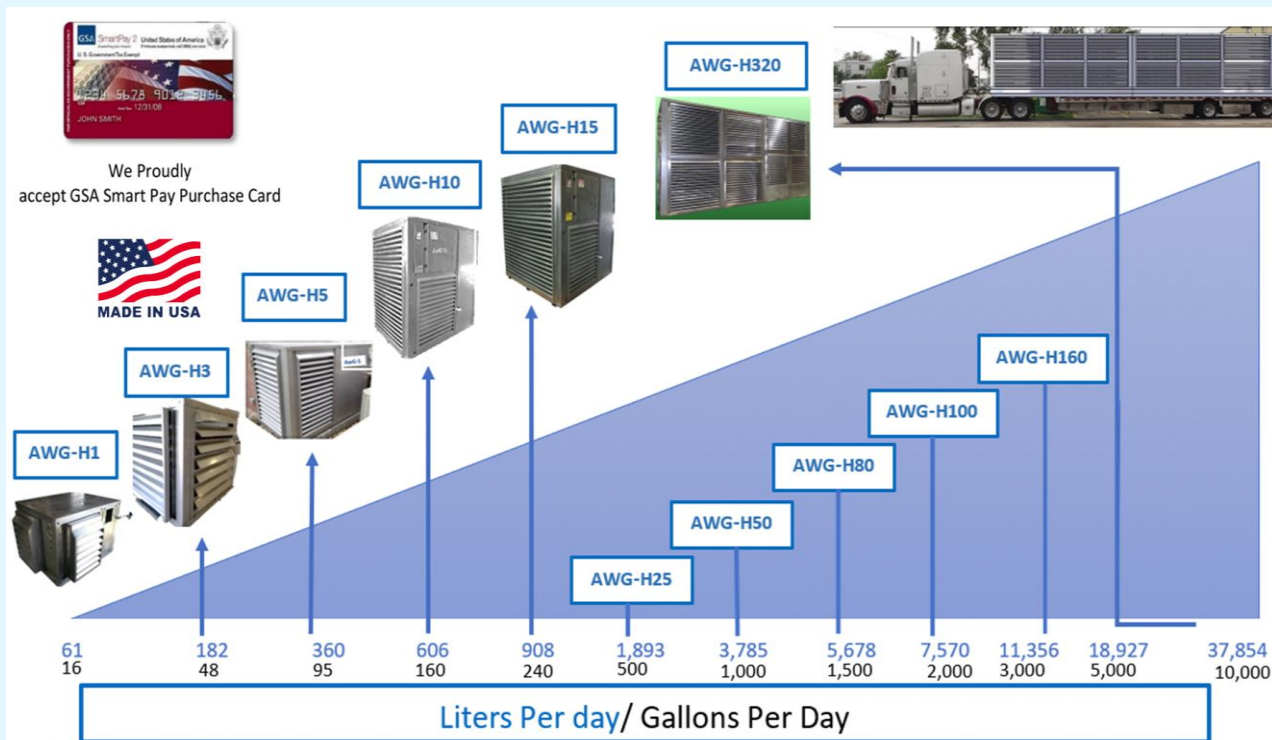

AwG units harvest invisible humidity, turning it into water for the troops or Military needs.

Sustainable Water Supply of the future is available **NOW**

Your AwG investment Today will feel very insightful tomorrow with expected production 2 to 3 decades.

AWG-H SERIES WATER GENERATOR

We develop & offer a variety of custom made models to meet your needs, ranging from 16 to 10,000 gallons per day (61 to 38,000 Liters)

You and your personnel must have clean water to stay alive!
