About:

Congratulations on taking the first step in becoming a Hot Yoga Teacher! What sets the Barkan Method apart from other Hot Yoga Trainings is Jimmy's extensive experience and expertise. Jimmy Barkan's Level I Training was the first to be established in South Florida and is considered the top-rated training in this area and beyond. In fact, there are thousands of students and studio owners around the country and world that got their start with The Barkan Method of Hot Yoga.

Teaching yoga teachers is something we cannot take for granted. It is a responsibility that cannot be taken lightly. There are too many teacher trainings programs out today lead by instructors with limited experience. This is what sets The Barkan Method apart. Jimmy has been practicing since 1980, was the only teacher allowed to certify Bikram Yoga Teachers besides Bikram! Jimmy started his own style of Hot Yoga called The Barkan Method back in 2002 and began his very own teacher training program after 22 years of teaching! Barkan has lead over 30 Level I and over 25 Level II/III teacher trainings with well over 1500 graduates who are now teaching all across the world. There are Barkan Method teachers and studios in: Australia, New Zealand, China, Japan, Thailand, Hungary, Vienna, Switzerland, France, England, Iceland, Greenland, Norway, South America, Costa Rica and of course the United States!

Jimmy's experience in teaching, guiding, body alignment and yoga history is what separates & distinguishes The Barkan Method Teacher Trainings from many others. From this training, you will gain the proper tools, knowledge and hone your communication skills to be the most effective teacher you can be! With compassion and insight,

Jimmy connects with each of his students on a personal level and offers a unique platform to explore your inherent skills and strengths as a teacher. You'll be prepared to lead your first Hot Yoga class with confidence and skill!
