## Leadership Student Contract

As a Becks' Martial Arts (MA) and UWTA Leadership student, I acknowledge that I am a leader in my school and community and an example to other Becks' MA students. As a leader I have responsibilities to my school, instructors, and my peers:

- I will commit to my Leadership training from \_\_\_\_\_ to \_\_\_\_\_ (one year minimum from date signed).
- I will take part in at least three community service projects a year.
- I will be an assistant instructor in at least one class per week. If I am unable to make this class I (not my parents) will contact an instructor and let them know.
- I will attend at least one Leadership class per week and two regular classes per week.
- I will maintain a B (or equivalent) standard in my grades. I understand that it is my (not my parent's) responsibility to turn in my grades to an instructor when they're available. It is also my responsibility to turn in my Taekwondo homework sheet on time (two weeks prior to testing).
- I will always exemplify the five tenets of Taekwondo at home, at school and in class.
- I understand that poor behavior or grades could lead to a suspension from the Leadership program and rank testing.
- I will talk to my parents or instructors if I ever need help or assistance in Taekwondo class or at school.
- I will always live by the UWTA Student Oath:**
  - I shall observe the tenets of Taekwondo.
  - I shall never misuse Taekwondo.
  - I shall respect the instructors and seniors.
  - I shall stand for freedom and justice.
  - I shall build a more peaceful world.

I, \_\_\_\_\_ agree to the terms of this Leadership contract. I understand that by signing my name I am committing to this program, my instructors and my community for a year. I will always do my best to live by the five tenets of Taekwondo and by the Student Oath. I understand that I am a leader in my community and must adhere to the agreements in this contract.
