At these schools, we will provide before and after school care options at an affordable monthly rate. Scholarships will also be available.

Will you serve Middle and High School students?

Yes. The Boys & Girls Club building located at 2500 East 1st st in Loveland will be reserved for Middle and High School students. Transportation is still being worked out with both Thompson School District and the Larimer County Health Department. Middle and High school students will be able to attend the Club as frequently as needed for only $20 per year, per student. If transportation is not able to be offered, BGCLC will serve Middle School students within the schools of Walt Clark, Bill Reed and Conrad Ball. More information will be coming out soon.

How do I register?

Registration will open no later than August 1st. Registration information will be sent out by your school or you can go to begreatlarimer.org to register online.

What is the cost?

Parents have the option to register as a full time attendee (4-5 days a week) or a part time attendee (1-3 days a week) for both before and after school, or separately for just before school or just after school. Rates will vary depending on which selection is made. Rates will be announced before August 1, 2020. Monroe and Truscott Elementary School families will not be subject to this fee schedule, as they are covered by a state grant for the 2020-2021 school year.

Parents will be able to make payments online through a parent portal, using credit card or account transfer. Auto-pay can also be set up to assist with automatic withdrawals. Parents that would like to make payments in person can do so by visiting their Club location during operating hours. Rates will be announced before August 1, 2020.

Do you provide financial assistance?

What extra safety precautions and checks do you have in place to prevent the spread of COVID-19?

We are working with the Larimer County Health Department and the Thompson School District to ensure that all COVID-19 safety regulations are followed. Youth will be asked to wear a mask indoors and practice social distancing at all times. Any symptoms will be monitored and if those symptoms are related to COVID-19 youth will be sent home.
