Can my elementary school student still attend the Loveland-Pulliam Boys & Girls Club on 1st Street?

The building on 1st street will now be reserved for middle and high school students only. All elementary school students will have access to either Boys & Girls Clubs or YMCA. See the list above for which elementary school sites are Boys & Girls Clubs.

My elementary school is not listed with Boys & Girls Clubs of Larimer County?

If your elementary school is not listed, it will be served by the YMCA of Northern Colorado.

Will you serve middle and high school students?

Yes. The Boys & Girls Clubs building located at 2500 East 1st St in Loveland will be reserved for middle and high school students. Virtual learning support will also happen at this location.

What are your hours of operation?

All locations will be open Monday through Friday from 7am-6pm.

Here are a list of days that we will be closed in 2020 (please note this is subject to change):

- August 31
- September 1
- September 7
- October 8 - 9
- November 25-27
- December 21- 31 - TBD

How do I register?

Registration will open during the week of August 10th. Registration information will be sent out by your school or you can go to begreatlarimer.org to register online. You must register at the site you wish to attend. If your children will attend two separate locations, two separate forms must be filled out.
• **NOTE:** Monroe and Truscott’s Elementary registration will be in person. Please reach out to Bailey Pierson for Truscott Elementary at (970) 889-0473 or Amber Lorenz for Monroe Elementary at (970) 889-0275.

**What is the cost?**

Below are our rates for full-day care. Before and after school rates will be released soon. Please note, Truscott and Monroe Elementary School families will not be subject to fees as they are covered by a state grant for the 2020-2021 school year.

***During the weeks of August 18-28, no fees will be charged.***

Full-day care at Elementary Schools:

- Part time, 1-3 days a week $420 per month ($105 per week, $35 per day)
- Full time, 4-5 days a week $700 per month ($175 per week, $35 per day)

Full-day remote learning support and enrichment activities for **middle and high school students** @ Boys & Girls Club Building, 2500 East 1st St.

- $20 per year, per child

**BGCLC has a max of $1200 per month, per family. No family will ever pay over $1200 per month. We also have scholarships available.**

**How do payments work?**

Payments are on a monthly basis and must be prepaid by the **5th of each month**. For example, your monthly payment for childcare in September must be paid by September 5th. Parents will be able to make payments online through a parent portal using credit card or account transfer. Auto-pay can also be set up to assist with automatic withdrawals. Parents that would like to make payments in person can do so by visiting their Club location during operating hours. Parents wishing to join the Club in the middle of the month or billing cycle can receive a prorated amount.

**Do you provide financial assistance?**

Yes, we will have limited full and partial scholarships available. If requested at registration parents will be sent a scholarship request form to fill out.
Does my current Boys & Girls Clubs membership apply?

No, all children, whether they have been Club members in the past or not, must register again. Additionally, families who are on waitlists must also re-register. To register, please visit www.begreatlarimer.org

What does a typical full-day schedule look like to support student learning?

When schools begin virtual instruction, we will be prepared to help support student’s learning throughout the day. Boys & Girls Clubs staff will provide space and time for students to get connected to their classroom instructor and will support students during lessons being instructed by their teachers, should they need assistance. We ask that all students come to the Club prepared for virtual learning. This means that they bring their devices, supplies needed, headphones and class schedule. We will serve students from multiple schools and will not be able to know or keep track of every student’s schedule so it is imperative that students bring their schedule with them. Once instruction is done for the day, we will provide enrichment activities in the following areas:

- Arts
  - Craft projects, drama and theater Clubs, etc.
- Sports, fitness & recreation
  - Sport leagues, games tournaments, etc.
- Health & Life Skills
  - Cooking classes, robotics, etc.
- Character & Leadership Development
  - Community service projects
- Hands-on academic enrichment
  - STEM projects, science experiments

How will my child get to the Club?

There will be no transportation services provided at this time. Parents are responsible for getting their child to and from the school locations each day.

Will you provide meals?

Parents will have the option to send their child with meals, or breakfast and lunch will be provided by TSD Nutritional Services. Youth will also be given a snack once a day.

What extra safety precautions and checks do you have in place to prevent the spread of COVID-19?

We are working with the Larimer County Health Department and the Thompson School District to ensure that all COVID-19 safety regulations are followed. Youth will be asked to wear a mask indoors and practice social distancing at all times and wash their hands frequently. Upon arrival, youth’s temperature will be taken and they will be asked a series of questions related to symptoms. Any youth that temps above 100.4 or experiencing any COVID-19 symptoms, as listed by the CDC, will be sent home. Any symptoms will be monitored and if those symptoms are related to COVID-19 youth will be sent home. Youth sent home with a COVID-19 symptom must have a note from a health professional to return OR must be symptom free for 14 days before returning.
