**How do payments work?**

Payments are on a monthly basis and must be prepaid by the **5th of each month.** For example, your monthly payment for childcare in October must be paid by October 5th. Parents will be able to make payments online through a parent portal using credit card or account transfer. Auto-pay can also be set up to assist with automatic withdrawals. Parents that would like to
make payments in person can do so by visiting their Club location during operating hours. Parents wishing to join the Club in the middle of the month or billing cycle can receive a prorated amount.

**Do you provide financial assistance?**
Yes, we will have limited full and partial scholarships available. If you are in need of financial assistance, please fill out a scholarship form after registration and one will be attached in your Welcome Packet. Scholarship requests can take up to two business days to process.

**What does a typical full-day schedule look like to support student learning?**
For students who are attending Boys & Girls Clubs for virtual instruction, we are prepared to help support student’s learning throughout the day. Boys & Girls Clubs staff will provide space and time for students to get connected with their classroom instructor and will support students during lessons, should they need assistance. We ask that all students come to the Club prepared for virtual learning. All students need to bring their devices, supplies needed, headphones and class schedule.

During our after school hours, we will provide a wide variety of enrichment activities including:

- **Arts**
  - *Craft projects, drama and theater Clubs, etc.*
- **Sports, fitness & recreation**
  - *Sport leagues, games tournaments, etc.*
- **Health & Life Skills**
  - *Cooking classes, robotics, etc.*
- **Character & Leadership Development**
  - *Community service projects*
- **Hands-on academic enrichment**
  - *STEM projects, science experiments*

**Will you provide transportation?**
There will be no bus transportation services provided at this time. Parents are responsible for getting their child to and from the locations each day.

There will be a “walking train” option at Eyestone Elementary School in Wellington. Please contact Megan Hale to sign up, **mhale@bgclarimer.org**.

What extra safety precautions and checks do you have in place to prevent the spread of COVID-19?
We are working with the Larimer County Health Department and the Thompson School District to ensure that all COVID-19 safety regulations are followed. Youth will be asked to wear a mask indoors and practice social distancing at all times and wash their hands frequently. Upon arrival, youth’s temperature will be taken and they will be asked a series of questions related to symptoms. Any youth that temps above 100.4 or experiencing any COVID-19 symptoms, as listed by the CDC, will be sent home. Any symptoms will be monitored and if those symptoms are related to COVID-19 youth will be sent home. Youth or staff sick with COVID like symptoms are to have a doctor’s note or a negative COVID-19 test to return, they also must be symptom free to return.
