- Hands-on academic enrichment
  - *STEM projects, science experiments*

***Will you provide meals?***

Parents will have the option to send their child with meals, or lunch will be provided by Estes Park Elementary School at no additional charge.

***Who can I contact if I have more questions?***

Contact the Club Director, Laurel Lee, at [llee@bgclarimer.org](mailto:llee@bgclarimer.org) or (970)817-4943 or Area Director, Ashley Prow, at [aprow@bgclarimer.org](mailto:aprow@bgclarimer.org) or (970)393-1416 if you have additional questions.

***What extra safety precautions and checks do you have in place to prevent the spread of COVID-19?***

We are working with the Larimer County Health Department and the School District to ensure that all COVID-19 safety regulations are followed. Youth will be asked to wear a mask indoors and practice social distancing at all times and wash their hands frequently. Upon arrival, youth's temperature will be taken and they will be asked a series of questions related to symptoms. Any youth that temps above 100.4 or experiencing any COVID-19 symptoms, as listed by the CDC, will be sent home. Any symptoms will be monitored and if those symptoms are related to COVID-19 youth will be sent home. Youth sent home with a COVID-19 symptom must have a note from a health professional to return OR must be symptom free for 14 days before returning.
