**What extra safety precautions and checks do you have in place to prevent the spread of COVID-19?**

We are working with the Larimer County Health Department and the School District to ensure that all COVID-19 safety regulations are followed. Youth will be asked to wear a masky indoors and practice social distancing at all times and wash their hands frequently. Upon arrival, youth’s temperature will be taken and they will be asked a series of questions related to symptoms. Any youth that temps above 100.4 or experiencing any COVID-19 symptoms, as listed by the CDC, will be sent home. Any symptoms will be monitored and if those symptoms are related to COVID-19 youth will be sent home. Youth sent home with a COVID-19 symptom must have a note from a health professional to return OR must be symptom free for 14 days before returning.
