What are the costs and program fees?

There is a \$20 per year membership fee for each middle & high schooler enrolled in the school year program. If you would like to request a scholarship to cover this fee, please speak with your Club Director. Fees for elementary school students are listed below.

Elementary school students after-school fee:

Part Time, 1-3 days a week, \$175 per month (\$40/wk)

Full Time, 4-5 days a week, \$300 per month (\$70/wk)

How do payments work?

Membership fees for middle school students must be paid before your child(ren) can attend the program. Payments can be made through the parent portal at www.myprocare.com or in person at your local Club.

Invoices for elementary school students are emailed monthly and must be prepaid by the 5th of each month. For example, your monthly payment for childcare in September must be paid by September 5th. Parents will be able to make payments online through a parent portal using a credit card or through an account fund transfer. Auto-payments can also be set up to assist with automatic withdrawals. Parents that would like to make payments in person can do so by visiting their Club location during operating hours. Parents wishing to join the Club in the middle of the month or billing cycle can receive a prorated amount.
