**** This was copied from the quote sheet that was generated through Allstate rate generator**

****The full monthly rate is payable regardless of the payroll deduction method used by the employer. Premiums are NOT pro-rated for partial periods of coverage. Payroll deduction rates reflect the employee cost based on the employer contribution level and assumes employer is not contributing toward any dependent cost.**

The exact provisions governing the insurance are contained in the master policy issued to each group on form #M-9134 (employer) or form #M-9136 (trust). This product is not available in all states.
