Do you believe in the power of hope? Then you will enjoy NAMI's In Our Own Voice!

**In Our Own Voice**  
living with mental illness

### Come and experience a NAMI in Our Own Voice PRESENTATION

In Our Own Voice is a unique public education presentation that offers insight into the hope and recovery possible for individuals living with mental illness. Trained individuals living with mental illness lead a brief, yet comprehensive and interactive, presentation about mental illness. This award winning presentation is intimate and candid. It includes a short video, personal testimony, and a question and answer period that allows for honest and open dialog. It is designed to enrich the audience's understanding of how individuals cope with the reality of their illness while recovering and reclaiming their lives.

**And most importantly...**that Mental Illness affects millions of people (including famous people) and are treatable! **Plan to attend!!!**
