BOARDING POLICIES

Please read and initial each of the below policies.

Initial

- _____ 1. I understand that boarding reservations are contingent upon regular daycare attendance, with “regular” defined as an average of **one daycare visit per week** for the month prior to any boarding reservations, or **at least four (4) daycare visits** prior to the boarding dates. The daycare visits must also include at least one **FULL DAY** of daycare.
- _____ 2. I understand that the standard boarding rate is \$70 per night (less any published discounts). Higher rates may apply during peak seasons or holidays. (If applicable, the peak rate is _____ per night. Applicable peak dates _____.)
- _____ 3. I understand that boarding check-ins are accepted until **12:00 PM** on the first day of stay.
- _____ 4. I understand that boarding check-outs must be before **12:00 PM** on the final day of stay, or a \$25 half-day daycare fee will be assessed.
- _____ 5. I understand that BratPak reserves the right to **cancel** boarding reservations at any time when daycare requirements aren’t met or when the dog’s behavior is determined to be incompatible with BratPak’s cage-free boarding and all-day play environment.
- _____ 6. I understand that boarding reservations must be made at least **seven (7) days** prior to desired boarding dates.
- _____ 7. I understand that a boarding deposit is required at the time the reservation is made. The deposit will be \$100, and will be credited toward the boarding cost at check-out.
- _____ 8. I understand that boarding reservations must be cancelled at least **24 hours** prior to the first day of boarding. Any cancellations made within **24 hours** of the start of boarding will forfeit the full boarding deposit (\$100).
- _____ 9. I understand that I must provide food for my dog’s overnight stay, but only enough food for the days of the stay (i.e., no large bins). Food must be brought in labeled Ziploc bags, and pre-portioned bags are recommended.
- _____ 10. I understand that boarding reservations over Christmas and New Year’s nights require a **minimum 3-night** stay.
- _____ 11. Although BratPak offers cage-free boarding, I understand that dogs may be crated for behavioral or safety needs, or for the comfort of the dog, at the discretion of BratPak.
- _____ 12. I understand that BratPak constantly assesses the dogs’ behavior and reserves the right to dismiss any dog determined not to be a good fit for our open-play environment or facility.
