Hello to all my Clients,

I would like to wish you a Merry Christmas and Happy New Year. I thank you for the opportunity to work with you this year or in past years on your estate plans or needs in business law. I really love the Treasure Valley and I'm lucky to live in such a great place and work with great people.

2016 is shaping up to be an eventful year. My son is graduating from Boise State University in the Spring with a degree in Kinesiology. Daughter Ashley has one more year in Computer Science and has been interviewing with local tech firms. My daughter Megan is going into her third year, trying to decide what major is best for her. Lauren is busy as a high school junior, participating in several theatrical productions and still singing in an A Capella group.

Despite all of the negative commentary from politicians and newscasters, 2016 has the potential to be a fantastic year. Our country is in great shape and our economic prospects are very good. I'm interested in the positive stories, and hope you are too. All signs are encouraging for continued progress.

You can still catch me Monday-Thursday weeknights on Idaho's Money Show 6-7pm on KIDO (580AM or listen live on your computer at 580kido.com). I post summaries of various shows on my website too. We welcome your questions about issues you are having, or comments on the topics of the day.

Give me a call with your questions or concerns, and best wishes for a safe and happy holiday.

Steve

2016 Month-by-Month Resolutions Ideas to Get your House in Order

- January:** If you do not have an estate plan (i.e. a will or trust) make an appointment with me for a free consultation to design an estate plan. Check with your immediate family, I would be happy to assist them too.
- February:** Check all your IRAs and 401ks to see who you have listed as a beneficiary. Make sure this information is up to date. You may be able to save on taxes by contributing to an IRA before April 15th.
- March:** Get in to see your tax professional. Keep seven years of taxes and shred anything older than seven years.
- April:** Check your life insurance policies. Do you have the right beneficiaries listed? Is it enough coverage for your life plan?
- May:** Make a copy of the fronts and backs of all your credit cards for safe keeping in case any of them are stolen. Using this copy, you can quickly call the company to report the theft.
- June:** Put the following documents in a safe place: Social security cards, estate plan, birth certificates, marriage license, etc. If you choose to use a safety deposit box, make sure your personal representative has access too!
