I authorize the use and/or disclosure of my Protected Health Information (PHI) as described above.

I understand that I have the right to revoke this authorization at any time. I understand the revocation must be in writing and must be sent to the attention of Medical Records at Chicagoland Complete Healthcare, 3000 N. Halsted, Suite 401, Chicago, IL 60657. The revocation will not apply to the extent that CCHC has already taken action in reliance on the authorization.

I understand that information used or disclosed pursuant to this authorization may be subject to re-disclosure by the recipient and may no longer be protected by law.

I understand I have the right to inspect and/or receive a copy of the medical information to be used or disclosed and also receive a copy of this authorization form.

I understand I have the right to refuse to sign this authorization and CCHC does not condition treatment on the provision of the authorization for the requested use of disclosure, except disclosure necessary to determine payment of claim (excluding authorization for the use or disclosure of psychotherapy notes); or provision of healthcare solely for the purpose of creating PHI for disclosure to a third party (e.g., pre-employment or life insurance physicals).

EFFECTIVE: This authorization request does not apply to any treatment dates beyond the date of signature. You may choose to provide an event (related to you or the purpose of the use/disclosure) upon which your authorization will expire, unless mental health records are requested.
