

CLC ASSOCIATES

April 5, 2005

Coe Construction, Inc.  
2302 East 13<sup>th</sup> Street  
Loveland, CO 80537

To Whom it May Concern:

CLC Associates, Inc. has been working with Coe Construction, Inc. for the past nine years. Over this time we have provided Architectural Services for projects that Coe Construction, Inc. has served as the General Contractor. These many varied projects include retail, restaurants, shopping centers, automotive and banks and have been located all along the front range.

It has been our experience that Coe Construction, Inc. operates in a very professional manner and strives for a working relationship between ourselves, our consultants, project owners and developers, that result in successful projects for all involved. We look forward to continuing our long standing relationship with Coe Construction and do not hesitate recommending them for any project.

If you have any questions or would like to discuss project specifics, please do not hesitate to contact me at (303) 770-5600.

Sincerely,

CLC ASSOCIATES, INC.

Joyce A. Jilek, AIA  
Vice President  
Director of Architecture
