

Treatment Date: \_\_\_\_\_

A Colorado Pest Management technician will be entering your residence to inspect and treat for cockroaches. Proper preparation is a mandatory requirement for control to be effective, please follow these instructions.

1. Take everything out of your kitchen cabinets, drawers, and from under the kitchen sink.
2. Please, do not place these items on the kitchen counters, the stove, the floor, or in the sink. Stack items out of the way in the living room or dining room.
3. Wash shelves, drawers and counters tops before the technician arrives. Let the spray dry for 2 hours before you return kitchen items to the shelves.
4. Please, do not wash the shelves after treatment.
5. Empty the bathroom medicine cabinet and clear the area under sink.
6. Cover fish tanks and turn off air filter. All other pets should be removed for 2 hours, or put in a back bedroom and close the door.
7. Children, and adults should be prepared to leave the residence for 2 hours. You **must** be ready to leave when the technician arrives.

Thank you for your cooperation.
