

ANT TREATMENT PREPARATION

Treatment Date: _____

A service technician will enter your residence to inspect and bait for ants.

Proper preparation is required to achieve the best results. Please follow these instructions completely. The better prepared you are, the more effective the treatment will be.

The technician will not be able to treat if other pest control products have been applied. Please do not apply other pest control products before or after professional pest control treatment.

You must be prepared when the technician arrives. The technician will not be able to wait for you to prepare your residence for treatment.

1. Empty out areas under kitchen and bathroom sinks.
2. Remove all items on top of kitchen appliances.
3. Clear lightweight household items from the baseboards in every room.

Per management, if you are not ready for this treatment you will be charged \$ _____

Thanks for your cooperation!
