MOVING GUIDE

Relocating can be complicated and stressful. From packing to organizing your new house, there are numerous steps involved. Whether you're moving across the street or across the country, let our team come in and handle the details so that you can rest easy knowing that things are falling into place.

Five to eight weeks before moving:

- Calculate moving expenses and create a moving expense receipt file
- Transfer insurance policies to your new address
- Contact doctor, dentist, pharmacist and vet for referrals
- Begin using food and cleaning supplies already on hand
- Start cleaning closets, bookcases, and other storage areas
- Have a yard sale or donate unwanted items to charity
- Reserve storage space if necessary
- Make any long-distance travel arrangements-hotel, etc.

Three to five weeks before moving:

- Research and choose a bank at your new location
- Schedule disconnection of utilities
- Contact utility companies in new area to sign up for new service
- Transfer car registration to your new location
- Register your children in new schools
- Order mailing labels with your new address
- Determine if there are any pet restrictions at your new location
- Hire Helping Hands Moving Company

MOVING GUIDE

One to two weeks before moving:

- Transfer or close bank accounts and empty safe-deposit box
- Pick up and complete change-of-address cards from the post office
- Have medical and dental records and prescriptions forwarded
- Have your car inspected and serviced
- Subscribe to new local newspapers and community newsletters
- Get copies of important papers-medical; dental; eyeglass/contact lens records; prescriptions; pet immunization records; passports; marriage license; birth certificates; Social Security papers; and keep copies in a safe place separate from household goods
- Drain all fluids from your lawn mower and power tools and dispose of fluids properly
- Pack travel bags and confirm any travel arrangements
- Clean appliances, including emptying, defrosting and cleaning refrigerator
- Prepare a comfort bag for travel day that includes items you'll need on the road – bottled water, snacks, tissues, and personal care items; make one for your pet, too

Day of the move:

- Relax because Helping Hands Moving Service will take care of everything
