CRITICAL ILLNESS  
SUPPLEMENTAL  
HEALTH INSURANCE

*Protecting your family,  
finances and future.*

Day-to-day life is complicated enough all on its own. So when you're facing the extra stress of a critical illness, you're better off when you can keep your financial worries to a minimum.

A supplemental health insurance policy can help you protect your family, finances and future in your time of need. Washington National **Critical Solutions**<sup>®</sup> offers benefits you can use to pay for the expenses associated with a critical illness diagnosis and treatment.

Select the right critical illness coverage in two easy steps:

### STEP 1: Choose from two coverage types.

1. **Critical illness without cancer** provides payment when a heart attack, stroke or end-stage renal failure is diagnosed.
2. **Critical illness with cancer** provides payment when cancer, heart attack, stroke or end-stage renal failure is diagnosed.

### STEP 2: Choose from two benefit options.

1. **Option A** offers you a lump-sum benefit payment of \$10,000 to \$70,000.
2. **Option B** offers you a lump-sum payment of \$10,000 to \$70,000—plus additional indemnity benefits that provide extra protection against covered critical illnesses.

PLUS, YOU CAN CHOOSE A **RETURN OF PREMIUM RIDER**, AN OPTIONAL BENEFIT THAT CAN RETURN SOME OR ALL OF YOUR PAID PREMIUMS.

### How would you pay for the out-of-pocket expenses of a critical illness?

If you're like many Americans, you have just a few options:

- Spend your savings.
- Sell your assets.
- **Buy supplemental insurance to protect your family, finances and future.**

Benefits	Option A	Option B

- Your benefits are **paid regardless** of any other insurance you carry.
- Your rates **cannot be increased** unless all rates of that kind are raised in your state.
