

Cleaning by Colors™

Mal-A-Kill Odor

Neutralizes Odors at the source with Malogen™. Removes urine, mildew, vomit, smoke, perspiration, fire damage and countless other organic odors and leaves a pleasant scent.

Use in pump sprayers, with carpet shampoos, in extractor, etc., but do not use with a fogger.

- Biodegradable
- Neutral pH
- Leaves a pleasant citrus scent
- Removes odors at the source

For Industrial and Institutional Use Only.

**1 Gallon (128 oz./3.8 L)
Reorder: MO-640**

Always vacuum thoroughly and test fibers for colorfastness before using.

Don't forget to treat problem stains as soon as possible for best results.

5

Mal-A-Kill Odor

Directions

Dilutions:

Carpet

Always vacuum thoroughly and test fiber for colorfastness before using.

Carpet Pre-Spray

Mix 1:5, 1 part Mal-a-Kill to 5 parts water. For extreme problem odors, dilute with less water. Using a clean corrosion resistant pump sprayer, apply liberally to affected areas. Rake the carpet in two directions and allow as much dwell time as possible. A more concentrated solution and longer dwell time will increase deodorizing effectiveness. For problem spots, inject in and around affected area.

Truck Mount or Portable Extraction

Mix 1 ounce of concentrate per gallon of cleaning solution in portable extractor. 8-10 ounces per 5 gallons in portable extractor, 8-10 ounces per 5 gallons of stock solutions to freshen the carpet and air. For hard surface deodorizing, wipe sponge or mop affected areas with a mixture of 2 ounces of Mal-A-Kill to one gallon of water (1:64). For additional fragrances, ask for Core's Rid'z Odor brands.

For Industrial and Institutional Use Only.

First Aid:

For skin contact, wash with soap and water. For eye contact, remove contact lenses and flush with large quantities of cool, running water for at least 15 minutes. If Eye or Skin irritation develops and/or persists, seek medical attention. Do not take internally. If ingested, drink large quantities of water, seek medical attention. If inhaled: remove to fresh air, seek medical attention

Ingredients: Water, Alkyl Nonyl Phenol Ethoxylate, Sodium Xylene Sulfonate, Odor Counteractant, Ethanol

Health: 1

Flame: 0

Reactivity: 0

Special: 0

pH: 7-8
