

Birthday Event at the School

Birthdays are a very special time and we recognize each child's special day. If you are thinking about celebrating his/her birthday at the school, **please see below for a list of items that are allowed:**

1. Store-bought cupcakes with ingredient labels attached, please note that we're a **nut-free** school.
2. You can also have fun games in lieu of food.
3. You may bring water.
4. Goodie bags: age-appropriate toys, stories, or school supplies (pencils, erasers, small notebooks).
5. If you want to join your child during their birthday, please note that the maximum time is 20 minutes.
6. Make sure you leave the classroom as clean as you found it.

**Please ask your child's teacher for the best time/day to celebrate.*
