TENANT OVERVIEW

Headquartered in Roanoke, VA., Advance Auto Parts, Inc., the largest automotive aftermarket parts provider in North America, serves both the professional installer and do-it-yourself customers. Advance Auto Parts operates over 5,185 stores, over 127 Worldpac branches and serves approximately 1,250 independently owned CARQUEST branded stores in the United States, Puerto Rico, the U.S. Virgin Islands and Canada. Employing approximately 74,000 Team Members, the company works hard to create an environment of honesty, integrity, mutual trust and dedication. These values have remained the same since Advance Auto Parts founding in 1929. Advance Auto Parts operates stores that primarily offer auto parts such as alternators, batteries, belts and hoses, chassis parts, clutches, engines and engine parts.

AAP continues to expand its store network in both new and existing markets to grow its commercial and DIY customer base. In a move that created the largest automotive aftermarket parts provider in North America and surpassed rival AutoZone in sales, AAP acquired privately-held General Parts International, a distributor and supplier of original equipment and aftermarket replacement products for commercial markets operating under the CARQUEST and WORLDPAC brands. The company has also been moving into the commercial market in recent years. To better serve commercial customers, AAP has added more parts from key manufacturers to its inventory and expanded its workforce with parts professionals, delivery drivers, and sales representatives. Its “Speed Perks” customer loyalty campaign targets core DIY customers and emphasizes service. The company also employs Spanish-language television, radio, and outdoor ads to reach Latinos.

The auto parts chain has stores in all 50 states, as well as Puerto Rico, the US Virgin Islands, and Canada. Florida is the company’s largest market with more than 500 stores, North Carolina, New York, Ohio, Pennsylvania, and Georgia are also major markets for Advance Auto Parts, each home to more than 250 stores.
Paragould is the county seat of Greene County, and the 19th largest city in Arkansas. The city is located in northeastern Arkansas atop Crowley’s Ridge, a geologic anomaly contained within the Arkansas Delta. The city’s name is a blend combining the last names of competing railroad magnates J. W. Paramore and Jay Gould. A group of citizens chose the name, and it is believed to be the only city in the world with this name. Gould objected to hi name’s being second and refused to list the new town on his schedules. The city has an estimated population of 28,488.

Paragould is located 150 miles northeast of Little Rock and 90 miles northwest of West Memphis. Paragould is situated atop Crowley’s Ridge and located along the Crowley’s Ridge Parkway National Scenic Byway. It is near some of the most plentiful lakes, streams, and rivers in all of Arkansas.

Paragould is a growing city that is rich in history and tradition. The Greene County Fair is more than 100 years old and is the single largest county fair in the state.

The historic downtown is home to Art and Stroll and the State’s largest Zombie Walk. The downtown area is located on Pruett Street and includes the restored Collins Theatre and the Greene County 1888 Historic Courthouse, home of the Paragould Regional chamber of Commerce.
