

Recital Picture Week

We are excited to be using a new photography company this season, “Focused on Forever Studio”. Their work is amazing!

All dancers will have recital portraits taken the week of **April 30th** during their regularly scheduled class times. For example, tap pictures will be taken during tap class, ballet pictures during ballet class, etc. Friday classes will be scheduled to have their pictures taken on Saturday.

Please have your dancer arrive in their costume with correct color tights (costumes come with tights) and correct shoes. Makeup is optional for pictures. Hair may be worn in any style for pictures.

Please plan on staying at the studio for pictures. Your dancer will be released once their final photos are taken.

There is no fee to get pictures taken, and no obligation to buy. Group shots and individual portraits will be taken.

Picture proofs will be available to view and purchase at the studio on Tuesday, **May 8th 3:00 pm – 8:00 pm** and Friday, **May 11th at the dress rehearsal 4:00 pm – 8:00 pm.**
