RECITAL HAIR AND MAKEUP

All dancers must wear makeup. All dancers need to wear stage makeup for dress rehearsal and recital. Stage makeup consists of:

- Red lipstick
- Brown and beige/bone eye shadow (bone to highlight under eyebrow, brown to define crease and outer corner of lid)
- Dark brown or black eyeliner and mascara
- Dark pink blush
- Face powder and/or foundation

Stage makeup is important so the dancers faces do not get washed out with the bright stage lights. If they do not wear makeup, their facial features will not show up on the video, pictures, or from the audience.

Hair needs to be secured tightly with a strong hair tie and slicked with gel and hairspray. All dancers, (except competition teams) need to have their hair in a high bun, secured with bobby pins. We want our dancers looking stage ready! Loose hair with flyaways will look sloppy, and will distract the dancers if it falls out on stage.

REMINDERS

- No underwear underneath tights.
- Please remove all nail polish, temporary tattoos, and jewelry.
- A drink and snack will be provided to all dancers while in dressing rooms. Please notify Dance Obsession staff of any food allergies.
