

Dynamic Measurement & Control Solutions, LLC

408-780-9190

"Industrial Solutions for Power, Communications, and Sensing"

Transformers
Reactors
Power Supplies
EMI Filters

Inrush Current Limiters
Test Equipment
Winding Wires
Enclosures

Ethernet I/O
Ethernet to Serial
USB to Serial
Digital, Analog, Relay

Media Converters
PCIe Serial Cards
Serial Adaptors
RS232/422/485, Bluetooth

Enclosures Polycarbonate, Fiberglass, Metal
Disconnect Switches
Terminal Blocks
Explosion Protection Products

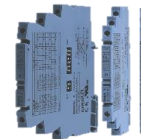

Ethernet Switches
Managed and Unmanaged
Poe, Rackmount, Layer 3

Ethernet to Fiber
IEC61850-3, EN50155
802.11 Wireless

Analog Signal Converters
Voltage Transducers
Current Shunts

Loop Isolators
Sensor Transmitters
AC/DC Transducers

Sensors
Conductive Plastic
Hall Effects
Wire Wound

Angle
Linear
Tilt
Potentiometer

Heavy Duty Limit Switches
Industrial Limit Switches
Micro-Switches

Positive Opening IEC 60947
Emergency Stops
Pushbuttons

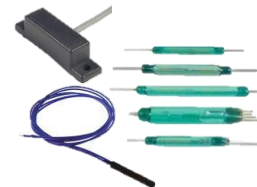

Current Transformers
AC Current Transducers
AC Voltage Transducers

Ground Fault Sensors
Current Indicators
Power Sensors

Reed Switch Sensors and Actuators
Magnetic Reed Switches
Bare Reeds
Custom Reed Switches and Magnets

Timing Relays
Monitoring Relays
Switching Relays

Load Monitors
Grid and System Protection
Power Electronics
