

Electrical Controls

Power, Electro-Mechanical and Wiring Solutions

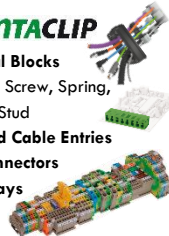

- Thermal Control Products
- Sealed Enclosure Coolers
- Cold Plates
- Heat Pipes
- Custom Thermal, and Fluid Systems

- Transformers
- Reactors
- EMI Filters
- Inrush Current Limiters
- Din Rail Mount Power Supplies

- Terminal Blocks
- Din Rail; Screw, Spring, Push-In, Stud
- Wire and Cable Entries
- PCB Connectors
- PLC Relays

- Enclosures
- Polycarbonate, Fiberglass, Metal
- Disconnect Switches
- High Voltage Terminal Blocks
- Explosion Protection Products

- Heavy Duty Limit Switches
- Positive Opening IEC 60947
- Industrial Limit Switches
- Emergency Stops
- Micro-Switches
- Pushbuttons

- Cable Glands
- Cord Grips
- SS, Brass, & Plastic Cable Trunking
- Wire Management
- Electrical Raceway and Ducts

- IEC Connectors
- Rectangular Din Connectors
- Pin and Sleeve Devices
- Portable Power Distribution
- Mechanical Interlocks and Iso Switch

Signal Interface

Ethernet, I/O, IIoT 4.0 and Wireless

- Industrial Gateways and Edge Controllers; Wi-Fi & BT Sensors
- Serial, Digital, and Analog Ethernet I/O
- Communications Modules
- Raspberry Pi, Arduino
- Modbus, TCP/IP, ASCII
- PCIe and Software Services

- Analog Signal Converters
- Voltage Transducers
- Current Shunts
- Loop Isolators
- Sensor Transmitters
- AC/DC Transducers

- Timing Relays
- Monitoring Relays
- Switching Relays
- Load Monitors
- Grid and System
- Protection

Sensors

Detection and Measurement

- Sensors
- Conductive Plastic
- Hall Effects
- Wire Wound
- Angle
- Linear
- Tilt
- Potentiometer

- Inductive Sensors
- Photoelectric Sensors
- Machine Safety
- Light Curtains
- Magnetic Safety Sensors
- RFID Sensors
- Ultrasonic Sensors
- Capacitive Sensors
