June 2019

## Letter from Pastor Frieda

June is often hailed as the ideal month for weddings. Personally, I think any month is great as long as the couple includes the heavenly “bridegroom” in their vows!

Missions is all about getting the bride for Christ—that is, getting people into the Kingdom—that is, telling others that God loves them and has prepared a place in eternity just for them. Who wouldn't want to hear that?

Thanks for being part of spreading good news to the planet!

Love and Prayers,

*Frieda*

2019 is becoming a Miracle Year for me with all the doors that God has opened.

First, my group tour just returned from Australia and Singapore. Both countries are experiencing revival! Secondly, my healing

meeting scheduled for the Fall in Beijing, China which will be held in the Embassy courtesy of the Nigerians who are making this happen.

Finally, my group tour to Egypt in October which will be adding fire to the revival that they are currently experiencing. Find out more about the group trip.

We give God all the glory for great and mighty things He is doing in our midst in Pakistan. Yesterday, thousands of people attended our Palm Sunday Service. God moved mightily, Church was touched and blessed in a great way. We had powerful testimonies of healings and miracles. And after Church service, we went out on the streets in one area of Lahore, praising and glorifying our Lord Jesus Christ.

Here are video highlights of our Palm Sunday service, please click on this link below to watch glorious works of our Lord:

**Zimbabwe**

Zimbabwe is going through some major reforms, politically, economically, and socially, which has led to a multiple of problems. At present, the crisis, the cost of basic commodities has gone up 300 to 400% which makes the lives of ordinary citizens very difficult.

Despite the hardships, the Lord has been gracious to us in many ways. We celebrated our belated Christmas party in January; our children received gifts in the form of uniforms, shoes, food, and school supplies.

In March we brought together 50 of our leaders for our Annual Leadership Retreat. Our theme for the year was "Following Jesus, the author and finisher of our faith (Hebrews 12:2).

In April, we brought together local and expatriate eye doctors who performed eye screening for all our children and community. A total of 1500 people were screened.
