Letter from Pastor Frieda

Greetings

Yesterday the Redeemers celebrated St. Patrick's Day. We do this every year—partly because our leader is the Irish, Pastor Pat Mahoney; but mostly because we need to celebrate Christian heroes of the past. Christians recognize that St. Patrick was a sacrificial and effective missionary to the Irish people. He loved the people and gave his life to win them to the Lord. His success had nothing to do with luck or the 4 leaf clover. He depended on the same Holy Spirit you and I still depend on for power, strength and wisdom to obey Christ's last command to "make disciples of all nations."

Thanks for following Holy Spirit and supporting our missionary heroes!

Love and Prayers,

Frieda

PRAY - Abraham has just finished ministering in Liberia. After four days of training and ministering at one of the largest churches in Monrovia, he went on to Ghana for a one-day Kingdom Intervention meeting with some leaders in Accra. From there he will fly to Abuja, Nigeria for another two-day conference. Pray for these trips: for protection, provision, and favor. Thank you so much for your support and prayers for this ministry.

PRAY - Our Christ for the Nations (CFNI) trip for May has been canceled due to the Corona virus, which is very disappointing, but understandable. I have another team scheduled to go to Asia the first week of May, and we are watching and praying over the situation. I am requesting prayer - that as a leader I will walk in wisdom and not in fear! I am not fearful of the virus, but there are so many uncertainties surrounding travel - quarantines, canceled flights, etc. I am praying that all of the 3 leaders (including myself) will be in agreement as to whether or not we should proceed or cancel.

William & Abigail Makina--Zimbabwe

PRAY - Revival Ministries is well and planning huge evangelistic approaches to neighboring suburbs of Harare. We have a Mandate of the Great Commission to go and preach everywhere. We finished another part of the building project and we are now comfortable in our Sanctuary. William is back to his

evangelism task in Polokwane. He is very passionate about planting churches in our neighboring countries. We thank God for all who continue supporting us either financially or in Prayers. We are forever grateful to the Lord for having us in your hearts.
