

Missions September 2020

Letter from Pastor Frieda

Greetings

Thank you all so much for your commitment to our missionaries. We had two major projects and YOU came through. Hope's Provision food bank was able to purchase their van and the funds came in for the clinic in Zimbabwe!
THANK YOU!

God bless you as you pray and support these front runners!

Love and Prayers,

Pastor Frieda

Dave and Nancy Buckner: House of Purpose

We had our 7th Annual Purpose Fest in our back parking lot of our building with a great turnout on a beautiful day. We served 200 free hotdog and hamburger lunches and gave away 50 boxes of food. We also had tables full of free clothes for the community. Three Christian bands performed along with a gospel message. The highlight was 6 baptisms which were performed declaring a life changed by Jesus! Each one gave a testimony of what Jesus had done for them. One was a former Satanist who said he started thinking about his future; he got saved and felt prompted to get baptized.

***Davison and Yana
Mzezewa-Zhou:
Zimbabwe***

Thank you once again for remembering us during this difficult time when the world is reeling with the effects of COVID-19 and the lockdown. The pandemic has slowed down our operations but at the same time it has created an opportunity for us to focus on God.

We are now concentrating on those with preexisting conditions like, HIV/AIDS, child headed families, and the handicapped; who are more vulnerable in such times like this.

Our situation has been compounded by a prolonged drought that has affected individual households food security for the communities. On a positive note, the virus has not hit us as much as we have seen in other countries. Thank you for your prayers. We desperately need God to intervene. Wish you all the blessings in these difficult times.

Cindy Zuspan: Asia

Grounded in the USA! Life is still on hold and travel to Asia is impossible right now with all the travel restrictions and quarantines. We obviously had to cancel our October team to the Karen refugees in Thailand, and the November team has also canceled. The Bhutan trip that was re-scheduled to late October will now be postponed until May of 2021. We are still holding out hope that we may be able to travel to Thailand mid-November to hold a

discipleship training seminar with a few select village and orphanage leaders from inside Burma on the Thai/Burma border. The main obstacle is that the Thailand border is still closed to foreigners, and is slowly opening to visitors in a phased re-opening scenario. We are not holding our breaths, but will watch and prayerfully consider going if the border opens!

Esther and Fungai Chasi:

Zimbabwe

Our clinic is running and of late we've seen an increase in the number of patients with albinism requiring skin procedures. In the past we used to give referrals to the major hospitals but lately because the hospitals are overwhelmed, we've resolved that we establish a small procedure room here at the clinic, so that we do not have to turn patients away. Our Doctor is a qualified Surgeon and will conduct the procedures.

THANK GOD FOR THE FUNDS THAT HAVE COME IN TO COMPLETE THIS PROCEDURE ROOM!
