Nobles, Ladies and Family of El Jebel Shrine:

Wow! When the past potentate’s say “your year will go by fast” they weren’t kidding. The last 8 months have really flown by. Lady Lisa and I have had a whirlwind experience participating with all the units. Fun seems to be the common thread.

The Wheat Ridge Parade was very well attended by all the units and Shrine family. On a sad note “Long John” is having a transmission issue and might be down for the rest of the season. On a good note “Boris” is up and running along with Phred to help get those parade people hauled around! Thank you to all those who helped get Boris back up and running!

El Jebel had a “Short Form” ceremonial this last month and welcomed in 2 new Nobles! Welcome aboard Bill O’Brien and Chris Heiskell! Have fun and get involved! The Ceremonial Divan cast did a great job under the guidance of Director Ron Birely. Please keep in mind that on November 16th at the Consistory we will be having a full Ceremonial (Details and Flyer to be out soon). Get those Petitions in and let’s keep the good times rolling ahead!

El Jebel was well attended this year at CSSA and I’m proud to say once again “Award Winning”. The Dune Buggy Patrol and Motor Corps came home with trophy’s this year! Someone please help Steve Hubbard to steer his Fire Truck! (see photo pg 3( Seems he can’t, do to the big grin he has on his face from winning a trophy! Congratulations!

Coming up we have “Call Out” Arvada parade on Sept. 7th. Join in on the fun that is Parading!

Plan on attending the Stated meeting on Sept. 9th (see notice). There will be a “State of El Jebel” report (You have questions? We have answers!). There is also a Ladies program that night! Jewelry! Need I say more ladies? Didn’t think so.

El Jebel has another opportunity to sell DVD’s at a Concert at “Fiddlers Green” (details to follow as we don’t have exact dates and time yet). A “Media blast” will go out as soon as we have the correct information and “Help” will be needed once again to raise money for the Hospitals.

The Ladies Luncheon is on Sept. 28th at Highlands Lodge. See the flyer on page 6 in this month’s Red Fez. This year’s planning team has really pulled out all the stops for our ladies.

The Oktoberfest is on Oct. 5th at the Consistory and promises to be yet another “Great time”. These Joint events really do build relationships that bridge our “Brotherhood”. Please plan to attend.

The “Walk of Love” in Salt Lake City is on Sept. 21st. El Jebel has a lot of its nobility attending and dare I say “Leading by Example”. This is going the extra mile for the Hospitals!

There is still time to help out with Raffle Ticket sales! Remember this is our big fundraiser for the year and we really do need your support on this. Chief Rabban Joe Kent and his second to none crew are working very hard to make this Raffle a success! We can always use more help Selling / Buying or organizing. Please see dates for selling listed in the FEZ. Many hands make light work and we could really use some help. Less than 60 days left!

We have a new Leasing company at the Shrine building. They are very enthusiastic and have been very good to deal with on our end (Thank you Building Trustees for your hard work). Please keep in mind if you know of companies who may be interested, have them contact the office right away 303-455-3470. We need to maintain and keep all our spaces rented and with your help we will succeed.

Thanks for “ALL” you do!

AUTUMN IS ALMOST HERE
ARE YOU READY AND PREPARED?
YOUR TEMPLE IS

Well our summer is over and we had a very productive one for El Jebel. Think back on the events, parties, parades, picnics, and gatherings we all enjoyed and then never forget the fun that you had as an active member of the El Jebel Shriners. There were far too many to recall here, but I am sure you that participated has the fondness of memories.

Yet, in just a few days from receiving this article, our monthly meetings will begin again. I hope to see you all on Monday, 9 September for our Stated Meeting starting with dinner at 6:00 pm and the meeting at 7:00 pm. Fun and camaraderie will continue for all members and their families. Come and hear what is planned for the rest of the year, what your Board-of-Directors and Divan have been doing throughout their summer meetings preparing for a fantastic El Jebel future. You may now be thinking well what are the things planned, what will be our El Jebel future? Come to our meeting, come to our event, come to the Temple and you will find out. To enjoy what our Temple has to offer you, your spouse and family need to need to be active and come to the monthly meetings to learn about the events planned for you. Hear and learn the details about meetings, parades, parties, Unit and Club activities and the associated myriad of social and personal lifetime contacts you will make, have made that will last a lifetime.

We have two new Shriners who have joined our Temple in August, Nobles Christopher (Chris) Heiskell and William (Bill) O’Brien. When you come the September dinner and meeting, look for Chris and Bill and welcome them. They will be the ones you see with big smiles on their faces. Each Unit/Club president and members should tell them about your particular niche and what they will have-fun doing in your group. Let’s never forget that the Units and Clubs are the mainstay of fun in the Shrine. These brothers want to be active. Let them know they are needed and welcome to join you.

As you have heard so many times, remember to adopt the mantra, Be an Active Member. You and your family can participate in all the El Jebel events and have fun. We are a community of brothers and families ready, willing and able to share our lives with all Shriners everywhere. See you on the 9th!

Sandblasters of El Jebel
By Claude Akridge

Sixteen Sandblasters were present at our lunch and business meeting on the 31st of July at the Golden Corral Restaurant located at W. Hampden Ave. and South Santa Fe Dr. The meeting was called to order promptly at 12:00 PM by Vice-President Larry Bangert, President Carl and Margaret were out of town on family business and not able to attend. PP Ron Cosens led us in the pledge to our flag and Larry led the prayer.

Golf Manager Jim Teagarden gave a report on the past and future golf outings and was pleased at the past turn out of the members and also pleased with the number signed up for the Thorn Creek outing. One outing for Sept will be at Broken T Golf Course on the 5th. Please contact Jim at jimforrestteagarden@gmail.com if you are interested in playing and details.

Larry gave a report on the golf trip and train ride the Sandblasters and guests went on down in southern Colorado. Many of the members that went on the trip told of the great time that they had and that President Carl and Margaret did a great job planning it. All said they would like to have it again next year.

There were some health problems in the club last month. Secretary/ Treasurer Dan Kamunen told us about the heart condition he experienced and the successful procedure he went through and all is fine with Big Dan now. I talked to him yesterday and he had just finished playing golf. Jerry Davis had some ear problem and had treatment and is recovering nicely. Also, Jerry Human had a bout with pneumonia and has recovered. Happy all is well again!!!

Vice-President Larry says the Sandblaster table at the Raffle for this year has not been completed yet and the Appreciation party is scheduled for the last week in September and the members will be notified. Larry, you did a fine job running the meeting in President Carl’s absence and will make a good President next year.

Please know you are always welcome to visit us for lunch and meeting the last Wednesday of the month at the Golden Corral.

Here it is September already! Football season is approaching as well as the holidays, not to mention back to routine for El Mejdel.

Tuesday, September 3rd will be our first Session back since the summer break, and everyone seems to be looking forward to getting back into the routine.

We are hoping to initiate several new members at our Supreme Queen’s Visit in October and hope to see our new princesses becoming involved in our Units and Temple activities.

September 19th-22nd will find our Queen Brenda and several members of our Temple, along with many Nobles of El Jebel, in Salt Lake City, UT for the Walk for Love in support of the Shriners Hospitals for Children®. This is always such a fun time, particularly with the children participating in a lot of the activities. It’s always such a lift to see all of the good things that are happening at that hospital.

Pipe Band
By Kent Burns

Summer is just about over. For the Band, summer will be over after our annual pilgrimage to Estes Park the weekend after Labor Day. We have been going to the Longs Peak Scottish/Irish Highland Festival for way over 40 years. We have been the “duty band” for most of that time. “Duty band” is a nice way of saying we do everything but compete. The various clans that participate in the games march in the parade on Saturday, parade around the field at the opening ceremonies (the so-called “massed bands” at noon on both Saturday and Sunday), and show up for the closing ceremonies (or “last post” that closes the games on both days). Other than that, they are pretty much relegated to either a pair of large tents and/or several smaller ones off in a corner wherein they display their clan tartans, insignia, histories, etc. At one time they were fairly busy with people interested in the different clans, with questions and even inquiries about joining. But as the games have gradually gotten away from attracting those kinds of spectators, the ones manning these tents get lonely and bored. So we are tasked with breaking the monotony by playing through their tents and bringing them a bit of the games they would otherwise miss.

We also play for the Sunday “kirkin’ o’ the tartan” – a blessing of the tartans that has a basis in Scottish history, although it is an American institution started by Rev. Peter Marshall, a Scot who came to America to enter seminary and who later became chaplain of the US Senate. He is the subject of the book, and later Oscar-nominated movie, both entitled A Man Called Peter. When the English defeated Bonnie Prince Charlie and the Scots at the Battle of Culloden (near Inverness) in April 1746 (which basically ended the Jacobite uprising), they forbade wearing of the tartan, playing the pipes, and carrying weapons, among other things. Thereafter in Scotland, the Highlanders would go to church and the officiant would bless scraps of tartan usually secreted in the clothing of the congregation. Rev. Marshall was also pastor of the New York Avenue Presbyterian Church in Washington, DC and, as such, started the “kirkin’,” or blessing, of the tartan (and hence, clans) here in the states. Members of the congregation would bring swatches of tartan, fly plaids, or anything with the clan’s distinguishing colors and design denoting the tartan and the clan. These were presented to Rev. Marshall and he would bless these pieces of fabric and, through them, the clans.

While time and tide has taken its toll on the Band such that we will not be marching in the parade, we will none-theless be busy the entire weekend. It is, after all, Estes and, as such, represents all that is Celtic here in Colorado. It is the largest games between Pleasanton, CA and Grandfather Mountain, GA and has a history that runs deep for all kilt-wearers in Colorado. If you have nothing better to do, come on up and enjoy the beautiful Colorado scenery and hear the skirl of the pipes.

In November, the Band will be playing for Queen Annette Stewart at Highlands Temple for her High Tea; in concert with the Rocky Mountain Brassworks at the Lakewood Cultural Center, 470 S. Allison Pkwy, Lakewood, CO on Sunday, 10 November at 1900; and at the Veterans Day stated meeting on 11 November. (We will be presenting a little bit of history at this as well.) So if anyone is interested in all this fun and performance, and at the same time enjoying the camaraderie of our Band, we are looking for a few good men. So come on down almost any Thursday evening at the Shrine at 1900 (or 7:00pm for the uninitiated) for the fun!

Doesn’t seem possible that summer is coming to an end. The parade season is all but gone we have the Arvada parade on September 7 please watch for the information that comes out in a Fez.

The black camel has taken one of ours, Kenny Viberg our parade captain of the Vintage Iron Patrol passed. Please keep Jeannie and the family in your prayers. Kenny has been very active in our club; his quick wit and funny stories kept everyone laughing. He will be missed very much.

Vivian and myself will be hosting the September luncheon, I will be contacting members for the time and place. Get out and sell those sportsmen’s raffle tickets we need to meet our goal for the operation fund. This is a very important fund raiser for the our Shrine. You’re the key! Remember we’re all masons first, keep it on the Square and on the level.
The August Dune Buggy Patrol Meeting was unique as the usual opening dinner was held at Hacienda Colorado Restaurant, but the meeting was held at Sensory Park. Our President, Ron Williamson, is great at creating new ideas; new venues and we do all appreciate his ingenuity displayed throughout the year. Ten members attended the meeting.

President Ron reported on a potential new member who is interested in purchasing a buggy; but he is not a Mason. The decision was made to not sell him a buggy until he becomes a Mason and Shriner, joining the El Jebel Temple. The objective is to have all our buggies remain with the in the Dune Buggy Patrol. It was suggested that we should tell prospects we only have one buggy for sale. This will encourage prospects to buy it now and become a member before it is gone. Speaking of new members also brought up a recommendation that was approved to help Dune Buggy prospects become members by paying for their first Dune Buggy social event.

Those who attended the Buffalo Bill Parade in Golden, the Wheat Ridge Parade and picnic following at Highlands including all those that helped with the picnic had a great time not only with the Dune Buggy folks but with the El Jebel Shriners as a whole. The Christmas in July at Gold Hill Inn was another great time even if there was a torrential rainstorm. Why? Because the rain stopped before we had finished a wonderful dinner and social event planned by our President and First Lady Robyn.

A question arose as to if Imperial keeps track of calls to their phone number concerning what prompted them to call and if such could be tied to the materials passed out by the ladies at parades. The possibility of such is highly suspect but a simple check with the Imperial staff could provide a useful answer. Another thought was regarding speeding up the process for a prospect to become a Mason and ultimately a Shriner. This is difficult, as each Blue Lodge must follow the Colorado Grand Lodge rules for Masonic membership as well as following Shrine Law. This is an age-old issue, new members. Everyone is a member of all membership committees in every Masonic Body.

On Sunday, 18 August the Dune Buggy Picnic was held at Don and Connie’s cabin above Evergreen. All attending enjoyed brats, hamburgers, Pepsi, Diet Coke, and of course beer. This was a potluck no one should have missed. A beautiful day, an adventurous drive, a marvelous setting and most of all a great time with friends and family. It looks like this will be an annual event. Let’s hope so.

Congratulations to all who attended the CSSA. The Dune Buggy patrol won two trophies, a first and second place. A big thanks to Don Weiser for his dogged pursuit in assuring the El Jebel Dune Buggy Patrol is forever an integral part of the annual CSSA competitions and parades.

Buggiers (is that a word?) don’t forget our upcoming events to which we all should be a part:

The Arvada Parade is Saturday, 7 September. This is a call-out parade and we will wear our flag shirts. Those with tow vehicles are welcome to leave them at Williamson’s prior to the parade. Following the parade Williamson’s will be hosting a potluck picnic at their house at 8638 West 84th Circle, Arvada.

Sportsman’s Raffle, 26 October will be at Douglas County Event Center. Remember to sign up to sell tickets at Cabelas and Bass Pro. Contact Perry Mittler, 2nd Ceremonial Master to sign up. Don’t forget to include the sale of DB Raffle tickets for Edward’s Meats.

Next meeting will be Wednesday, 11 September at Malones Club House Grill, 14455 64th Ave., Arvada, social, 5:30 pm, dinner, 6:00 pm, meeting, 7:00 pm.

Greetings Nobles and Ladies, grab your favorite cool beverage sit back and regale yourselves with the tremendous feats of the T-Nobles of El Jebel. Let us begin with July. On July 4th the T-Nobles drove out to Brush for one of our favorite parades. Nobles Chris ‘El Presidente’ Weymouth and Jodi Dreher represented the T-Nobles with their families. The parade was great and wet as always, on the docket for the next year, armaments in the form of squirt guns so we can defend ourselves and beat the heat. Unfortunately, on the trip home Murphy’s Law was in full effect as Noble Jodi had a catastrophic trailer fail. However, he was able to limp it into Keenesburg. Due to the fact that it was the 4th of July Holiday, finding a flatbed trailer was near impossible. So in quiet desperation your T-Nobles asked the community for assistance and found a woman who was willing to let the trailer sit on her property overnight. Her name was Angel and she was just that. She had three girls and a baby boy and the look on the kids faces when they pulled the Fire Truck out of the trailer was priceless. Noble Jodi took two of the girls for a ride around their backyard and it absolutely made their day.

On July 13th, the T-Nobles supported the Potentate’s Summer ‘Cruisin with the Potentate’ Party. Nobles Don Myers and Chris Weymouth and Lady Karen were in attendance. Noble Chris detailed his Fire Truck to be put on display with the rest of the Hot Rods.

On July 27th, the T-Nobles were in full array at the Buffalo Bill Day’s Parade in Golden. Nobles Chris Weymouth, Don Myers and Ryan Puckett were in the parade after getting a quick detail of their mighty steeds from Noble Bobby Juchem. Noble Byron Walker rode in Long John with Karen Myers and Judy Weymouth, while Nobles Victor Walker and Paul Stoltman walked in the parade with Golden City Lodge #1. After the parade the T-Nobles helped run their Child ID Booth at the Festival and Noble Paul Stoltman ran the dunk tank. T-Noble President Chris ‘Nolan Ryan’ Weymouth was able to dunk Noble Paul with what looked to be a change up, not too bad for a torn rotator cuff. Word on the street is that the Colorado Rockies are scouting him as a relief pitcher, but he keeps saying he doesn’t have the time.

Finally, on August 10th, the T-Nobles were at the Wheat Ridge Parade. Nobles Chris Weymouth, Bobby Juchem and Ryan Puckett were in attendance. The parade went beautifully and we had a wonderful lunch hosted by the Highland Lodge after the event.

As the parade season is coming to a close, we ask you: are you getting enough from your Shrine experience? If not, I offer you this: In life there are many endeavors where your name on the roll book is just enough to feel included, but in the Shrine that is not the case. ‘We Ride so the Children Can Walk’, this is the mantra you see engraved on the side of our theme trailer every parade. Your T-Nobles are men and women of different temperaments, talents and convictions, united by the common purpose of reducing the suffering of others. We are bound by the ties of friendship and love, if that sounds good to you, come and join us for a parade. We promise, you will not regret it.

Day at the Races—Arapahoe Park
NORTHEAST Colorado Shrine Club
by Jerry Wardrip, Secretary

We started the Morning gathering, like always, with a great breakfast at Sonnies Overland Trail Café at the junction of I76 and Colorado Highway 63. Our president, Noble Cecil Souders called the meeting to order and offered the prayer followed by the pledge. The minutes of our previous meeting were reviewed and approved as printed.

We discussed the 2019 Sportsman Raffle and Jerry let it be known that he had books of tickets available, and we needed to get some sold. We always seem to have people waiting for the Raffle ticket sales to start.

We entered our Masonic float in the Logan County Fair Parade this year and all had a grand time. The kids and some of our new Fellow Craft walked and passed out candy and also American Flags. This year’s theme was “Stars and Stripes and Summer Nights”

We received a request for The Broomfield DeMolay for assistance with their “Care Packages for our Military” project. After some discussion we decided that we would help out, as we did not have a DeMolay Chapter.

We liked the article in the Red Fez in the “Didja Know” section. Thanks to Noble Kent Burns for his article construction skills.

Well as the summer seems to be a slow time and we seem to have covered all pending business it was now time to move on to the rest of our day. The President Cecil Souers closed the meeting at about 7:15 AM with peace and harmony prevailing.

You all have a standing invitation to come out and meet with us the second Monday of each month here at the Overland Trail Café at the Atwood interchange at 6:00 A.M. That is the Sinclair Station at Exit 115 off I-76. Good food and Great Fellowship.

The Englewood Shrine Club met at the Eckley’s on August 11th for a Crab and Shrimp Boil. They dumped it all over the table. There were fourteen of us attending. It was enjoyed by all but one. I was sick and couldn’t eat it. The most important thing that happened was we took in three new members. The new members are Potentate Bobby Marner, Chief Rabban Joe Kent, and Chief Aide Steve Hubbard. Who will be next? If you are interested, let me know (Don Phelps 303-471-2481). Dragoman

By Ed Rendon

Friends and Nobles you may not know that the Dragoman unit is a social unit with friends who enjoy the exchanging of conversational thoughts over drinks and dinner. It’s quite the social event, so you might want to consider becoming a member. The President just wants to relate that our unit is alive and going strong with over 35 members at our last gathering. We have just had a social at the President’s home of Noble Greg Rindone. If you were not there, you missed a great meal prepared by the two famous chefs, Illustrious Sir Dennis Proctor and Noble Greg Rindone. Each meal was prepared to the exact taste of each person there. To start off, there were appetizers of different types, and beverages to your liking prepared by a world renowned bartender. Then the steaks were cooked exactly as ordered and came with a baked potato, and salad, followed by a delicious pie with a generous scoop of ice cream. Don’t miss the next Dragoman social – join now!

Caring Ladies

By Jeanne Thompson

The Caring Ladies of El Jebel invite all widows of Shriners and Master Masons to join us for lunch on the second Wednesday of each month. We gather at 11:30 at the Chalet Restaurant, 7340 West 3rd Ave., Wheat Ridge. Our meetings are short, but the friendship and camaraderie are long and sincere. While we are united in a common sadness, there is joy and laughter around the table. If you are, or know of a widow who would like to join us, please call Kay Bell at 303-430-9001 for a reservation. However, if you decide at the last minute to come, just come on down and we will be glad to pull up another chair for you. Our members come from all over the Metropolitan area, so if you need a ride, we can find someone to bring you.

The Caring Ladies order from the menu. The food is good and the service is excellent. Our Miss Kitty bank travels around the table collecting a bit of change from each of us, and that money is donated to the Shrine Hospital’s Travel Fund to help both patients and their families as they are treated at our excellent hospitals. Our dues are $10.00 per year, so it is not expensive to join us. Please come and you will be happy you did, and we will be more than happy to welcome you.
MEMORIUM TO “MOM”

Shirley Mae “MOM” Dietrick was once again joined with the love of her life Duward Dietrick on August 10, 2019 at 12.47 PM.

Shirley was joined by eight of her friends and adopted family at Steamboat Springs where she was distributed at the same spot where Duward was laid to rest.

Her neighbors Frank and Roseland Oschmann, along with Jim and Annette Stewart and several others represented her Shrine and Masonic family as she joined Duward forever.

Of significant note was once Shirley’s remains were distributed two snow white cranes rose up from the grass and circled the place of their interment. I would like to believe that it was Duward’s and Shirley’s spirits re-joined in their love for one another.
