POTENTATE'S MESSAGE

**Bobby
Marner**

Nobles, Ladies, and Friends of El Jebel Shrine:

Nobles, Ladies and Family of El Jebel Shrine:

December is a month filled with joy and excitement. The many Holiday gatherings come to mind and the closure that the year is ending is always present. Lady Lisa and I were on the go nonstop all month with El Jebel having fun and fellowship. The RV Roamers comingled many units together and had a great Christmas party at Mt. Vernon. A great time was had by all without exception. El Jebel's participation is up and the sky is the limit!

For the first time since moving in "The Offices of El Jebel Shrine" were holiday decorated. What a great job done by the decorating team! If you would like to help out next year, contact Ken Jones to get involved.

The annual Children's Christmas party at Highlands Lodge was very well attended. Assistant Rabban Ron and his lady Robyn had a team of dedicated holiday helpers in place that did not disappoint! Santa and his Elves made everyone big or small smile with excitement! Thanks to all, you did a great job!

The El Jebel Shrine annual elections were held and the 2020 officers were elected. Potentate- Joe (Tater Tot) Kent, Chief Rabban- Ron (Mashed Taters) Williamson, Assistant Rabban- Ken (I'll see what I can do) Jones, High Priest and Prophet- Grady (Well OK then) Carter, Oriental Guide- Jim (If you need me then I'm there) Dawkins, Treasurer- P.P. Jim (Checks and Balances*) Stewart and Recorder- Jay (You got it) Bobick. You have a team in place that will offer clarity for all, where questions are always welcomed and answers are always found. The appointed officers will be announced at the stated meeting.

Moving into January you have the Presidents and Secretary's meeting on the 11th. This meeting outlines a lot of next year's planning and is considered very important. The 2020 "Potentate's Trip" presentation is also scheduled to follow later on this day. The 13th will be the Installation of officers and stated meeting. National Western Stock Show "Shriners" night is on the 17th and tickets are still available at the office call 303-455-3470 for more information.

The Panorama Management Company is doing a great job for us managing our building. We now have an Operations Summary including Banking, Financial Statements, Accounts Receivable Activity and Accounts Payable Activity report. Clarity and accountability is a very welcomed addition to El Jebel Shrine.

The Building Trustees did a great job for us on this endeavor. Many hands have made for great work here!

1st Lady Lisa and I have enjoyed this year with all of you. You participated with us and showed us support second to none. Hopefully you feel more in tune with El Jebel (as this was our intent). Remember "Memories remind us that nothing lasts forever. Time is precious and should not be wasted. Enjoy life and remember, don't count the days, make the days count." Amen

Yours In The Faith,

Bobby Marner Potentate El Jebel Shrine 2019

THE NEW YEAR IS HERE

Welcome Nobles and families to the 2020 El Jebel Shrine! It is a new year, new leadership, and a new outlook for your El Jebel under the leadership of Illustrious Potentate Elect Joe Kent. We had a great, no a magnificent 2019 with our immediate Illustrious Past Potentate Bobby Marner leading a multitude of accomplishments that improved our Temple and our membership. Now, soon to be Illustrious Joe has paved the way for and set our sights to not only continuing but raising the bar for a great El Jebel 2020. This is our 2020 leadership elected and appointed:

| <u>Elected</u> | <u>Appointed</u> |
|------------------------------|--|
| Potentate, Joe Kent | 1 st Ceremonial Master, Ron Dunsmore |
| Chief Rabban, Ron Williamson | 2 nd Ceremonial Master, Perry Mittler |
| Assistant Rabban, Ken Jones | Marshal, Joel Roche |
| HP&P Grady Carter | Captain of the Guard, John Titterington |
| Oriental Guide, Jim Dawkins | Outer Guard, Bill Brassette |
| Treasurer, Jim Stewart | Director, David Dorn |
| Recorder, Jay Bobick | Chaplain, Jim Oliver |

The above elections and appointments were accomplished at our Monday, 9 December Stated Meeting that began at 6 o'clock with a lasagna dinner. Sixty-five Nobles were there with ladies and family members. Potentate Bobby Marner opened the evening with a welcome to all and asked our Chaplain Jim Oliver to give an opening prayer. After dinner, Joe Kent introduced our dignitaries attending beginning with the Illustrious Past Potentates; Dick Williams, Amer Plaisted, Jim Fitzpatrick, Ron Cosens, Tony Dattilo, Dennis Proctor, Matt Raia and Rich Silver. Also there were; Past Imperial Chaplain Greg Rindone, Denver Scottish Rite Secretary Matt Raia, York Rite Bodies Treasurer Steve Hubbard, Tom Leahy from India Temple and one of our new members Lee M. (Hoss) Monsebroten.

Illustrious Sir Bobby asked our Chaplain Jim Oliver to come forward for our annual "In Challa." This Ceremony is the time we have a Memorial Service to Honor our deceased Nobility.

Thirty-nine names were read and prayers said for them and their families. It is always proper and needed to keep the memories of our departed brethren ever in our hearts as, with all, a time will come for us to join them.

After dinner, the ladies adjourned to their meeting that was highlighted by a "Sock Exchange." Each lady

brought a pair of socks filled with a wide variety of goodies that were exchanged with all attending. The ladies had a fun time and all went home with their goodies. The formal part of the evening for the nobles opened at 7:45 pm in due form presided by our Potentate. Noble Ed Richards, Legion of Honor Commander, led in our Pledge of Allegiance followed by the Chanters singing the National Anthem. Chaplain Jim Oliver gave the invocation.

The Treasurer's Report was given by Joe Kent, Chief Rabban, who also gave a brief comment concerning the 2020 Budget that will be presented for approval at the 13 January 2020 Annual Meeting. The Potentate then called Illustrious Tony Dattilo to conduct the 2020 Officers' Election. Before the election, Tony thanked Potentate Bobby for all that he had accomplished in 2019 and also thanked all who attended the Children's Christmas Party where he again represented Santa Claus. The election process progressed without any concerns electing those officers listed above. The newly elected Potentate then nominated and those elected for Imperial Representatives and CSSA Representatives were Joe Kent, Ron Williamson and Ken Jones.

At this point, while there was no old business, there were two items that required Noble approval. They were the 2020 Potentate's Jamaica Trip and the 2020 Sportsmen's Raffle that will be held on 3 October 2020 at Highlands Lodge. Both items were heartedly approved without discussion.

Our new Potentate Elect said that it was an absolute pleasure serving as Chief Rabban and thanked the Potentate for a great team effort. He commended the Divan for their continued efforts to make our Temple great. Joe said we are heading to a bright future and wants all nobles to get active and asked all to bring in new members. Then, our Potentate Elect thanked again all Nobles and their families.

In closing, the Potentate said it was a fast year and the involvement of all was fantastic. It was a real team effort. There are a few clouds out there but, we will prevail. Bobby then thanked his Chief Aide Steve Hubbard and thanked the Cabiri, Past Potentates for their guidance throughout the year. He stated that the best was being out there and having fun. Then he thanked Wayne Livermore for making the long journey from Kansas to be with us for the elections and celebrations. With that Illustrious Bobby closed his final meeting at 8:50 pm, peace and harmony, in deed, prevailing.

Faternally Submitted,

Jay

TO: TEMPLE DIVAN LEADERS

You may have recently received an email communication from Masonic Medical Research Institute ("MMRI"). As Shrine Masons, we are aware of and proud of the charitable work performed by Grand Lodges and appendant bodies. As related to research, Masonic organizations also make tremendous contributions in that area as well, specifically including the Knights Templar Eye Foundation, Inc.

As part owner of Shriners Hospitals for Children, you should know that Shriners research has already had a tremendous impact on the provision of care throughout the world. That research footprint continues to expand both in terms of breadth and depth of unique, cutting edge research projects.

Shriners International is currently involved in an unprecedented number of collaborative partnerships with Grand Lodges and appendant bodies. We recognize that more can be done by working cooperatively, than through more limited unilateral efforts. While we are pleased that the Masonic MMRI, the Knights Templar Eye Foundation, and other Masonic groups are involved in funding research, Shrine temples should be extraordinarily proud to fund Shriners Hospitals for Children research projects exclusively.

General Order No. 1, Series of 2019-2020, states on pages 42 and 43:

"2. Fundraising for Charitable Purposes:

No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporations shall engage in any charitable fundraising activity other than for Shriners Hospitals for Children."

While temples are generally not able to solicit charitable gifts with restricted purposes, Shrine temples, clubs and units are able to do so with regard to funds designated for research. See Special Purpose Funds for Research on page 46 of General Order No. 1. Therefore, Shrine organizations should be particularly proud of, and encouraged to support, their own charitable research efforts.

Unfortunately, it has come to our attention that, from time to time, Shrine entities are making charitable contributions to organizations other than Shriners Hospitals for Children. Due to the tremendous impact our charity continues to have, it is difficult to understand why Shrine

organizations would choose to support a charity other than our own, particularly when doing so violates General Order No. 1 and our covenant with one another to support Shriners Hospitals for Children. See Shriners Creed, 210.2 of the 2019 bylaws of Shriners International. Please understand that this letter is not sent in opposition to the research efforts of MMRI, Knights Templar, or any other Masonic organization. Rather, it is intended to remind and encourage Shrine temples to support solely the research efforts of the "World's Greatest Philanthropy," Shriners Hospitals for Children.

A new file is available for you to download from the Fraternal Communications boardroom at Shriners Village.

WESTERN COLORADO SHRINE CLUB

BY STEVE THOMAS

Western Colorado Shrine Club's December meeting was called to order by President Gary Weiszbrod at 11:45am. Blessing by Roger Phillips and Pledge was led by Bill Hirt. Minutes were approved and mailed.

Secretary Andrew BE had questions about turning in points for things other than meetings. Discussion followed and it was noted that El Jebel, a few years ago had the unit members elect a points chairman, each appointed Chairman (as Parade, Christmas party, activities director Etc.) register with El Jebel points chairman and turn in their points earned.

Andrew would also like to have your e-mail address so he can maybe save the club a little on mailing and it is much faster than snail-mail.

Yearly dues are now to be paid \$20.00 for WCSC.

Petitions: I understand we may have at least one and maybe 2 petitions. I have a Mason in Montrose who has asked for one but then he has come down sick. New fees from El Jebel are:

New Shriner- \$400.00 first years dues, Initiation, new Fez and WCSC dinner for 2 and \$350.00 for a gently used preowned Fez.

They have used Fez cases for \$20.00, new ones for \$30.00 and Fez stiffeners for \$6.00 El Jebel yearly dues are \$135.00

Old business: Michael Briscoe has all under control for our annual Christmas Party and is working on the Installation Party in Feb.

Hospital Coordinator: Gary Brown has some can tabs he'd like to get to Salt Lake Hospital if anyone wants to go and see the hospital.

Ceremonial Team are working hard for the Installation and induction of new Shriners Feb. 15th

Sickness and Distress: We've had the Black Camel come around again. WB Ron "Sparky" O'Hair has passed. He was past president of the Clowns, very active until his health started going down and will be missed by all. Sparky helped me a lot all though my WCSC clown experience. Ron was Past Master of Gunnison Masonic Lodge he was also Western Colorado Shriner of the Year in 2004.

He was a state electrical inspector and had a electrical business of his own at one time. Ron was an Air Force veteran, enlisting in 1956.

Our thoughts and prayers go out to Doni and his family.

Clowns: entertained a lot of Scottish Rite Kids with Santa in Grand Junction and Montrose.

Scooters: plan a party in January. Contact Linn Armstrong for details.

Tri-County: At our November meeting at Viva Mexico in Montrose we had our election of officers for 2020. Our President will be Scott Krebs, VP Fred Carson, Steve Isle stepped down as Sec.- Treas. as he has a full load to carry with all his other stuff going on so we elected Gary Weiszbrod to the office and Sky Fairlamb is our Captain for 2020. Fred Carson also won the 50/50 cash prize which he is going to invest in food futures.

We will be dark in Dec. as there is lots going on with lodges and holidays and all. We meet again Jan. 25th at Daveto's at 1pm in beautiful downtown Delta.

Hope y'all had a Merry Christmas and Happy New Year.

Western Colorado Shrine Club had their annual Christmas party at Grand Vista Hotel Saturday Dec. 14th and Michael Briscoe and his lady Janine did another great job lining this up and Michael doing the MC work. It was a great meal and then entertained by a 6th grade choir group to top it all off.

Some of the crew at Grand Junction Veterans parade. Left to right Gary "Zeke" Weiszbrod, Bill Brassette, David Van Dyke, Tim "Timbo" Quealy, Michael "Bubbles" Briscoe, Fred "Scooter" Carson Steve "Mugsy" Thomas, Bill Hirt, Chris Giesler and Linn Armstrong.

VINTAGE IRON PATROL

BY BOBBY

The V.I.P.'s had a great December Meeting / Social at Mickey's Steakhouse. The holiday spirit was alive and well. Phil Covarrubias and Lady Gloria did a fantastic job organizing the team for the day's events.

Wayne Covert along with Lady Vivian graced us with their attendance. In case you didn't know Wayne has been laid up for quite a while with leg surgeries (plural).

On January 11th El Jebel will have its annual President's and Secretary's meeting. This meeting outlines the 2020 year's Parades and protocols. Stay tuned for all the updates!

The annual Installation of officers meeting is on January 13th. You should plan on attending and supporting the new 2020 El Jebel Shrine Divan.

Membership is the key so remember to be on the "lookout" for new members! What qualifies? You have to be: Light hearted, Fun loving, Motivated, Auto Enthusiasts!

Remember, Rubber side down and Shiny side up!

PIPE BAND

BY KENT BURNS

The holidays are over. I hope everyone had the best of the holiday season. Now we get to settle down to the long, cold, dark days of winter. Brrrrrr!

For the Pipe Band thus starts the season of road trips, mostly to or through the mountains. The second Saturday in January we will be "appearing" with the cadets from the Air Force Academy at the annual Winterskól celebration in Aspen. This is one of our most looked-forward-to performances every year. Now that Bill Smith is no longer the director of the Drum and Bugle Corps down south of us we have only one chance to play with the cadets as Red, Plaid, and Blue – and this is it. (When Bill was around we had ample opportunities to perform and we took advantage of everyone we could.) Then in February we will be heading to Cheyenne for a table lodge, to Snowmass for Mardi Gras, and to Grand Junction to make sure the officers of the Western Slope Shrine Club are installed with proper ceremony. (More about these expeditions right here in next month's installment of *the Fez*.)

Ceremony and tradition are important to all organizations, especially these of ours. While we may not "officially" call some things "protocol," nonetheless that is what we follow. Generally. The Pipe Band broke said protocol this last month and had our annual Christmas party at the home of one of our members. Of course, it was not the usual home with living room, dining room, and kitchen. Rather it is the domicile of Cindy and John Harris and is somewhat reminiscent of something one would expect in *Casablanca*. First of all it faces Washington Park. And you expect Allan Quartermain to come strolling through, complete with jodhpurs, safari hat, and pipe. It is a virtual forest of palms and ferns and plants all from the savannah and/or jungle. The floors are covered with animal skins of all kinds and the expected African art is everywhere. (Cindy's father was a missionary in Africa for many years and provided them with a few [wink, wink] *objets d'arts* over the years.) And to complete the illusion, you will occasionally hear the screech of a bird – they have a wonderful pet cockatoo named Tattoo who thinks the sun rises and sets on John. She is a beautiful bird, albeit a bit of a recluse when confronted with a whole bunch of strangers! So the Harris's played host and hostess for our annual mistletoe meal which was followed by the usual toasting line. But instead of imbibing and retiring, the Band had another "first" with a white elephant gift exchange, much to the delight of all. The whole thing was such a success that this may become our new "normal" for a few years to come. Or at least one more time next year.

If anyone is interested in all this fun, we are looking for a few good men. So come on down almost any Thursday evening at the Shrine at 1900 (or 7:00pm for the uninitiated) for the fun!

CARING LADIES

BY JEANNE THOMPSON

The Caring Ladies of El Jebel held their social-only meeting at the Chalet Restaurant on December 11. We were graced by the presence of El Jebel Chaplain Jim Oliver and Most Illustrious Grand Commander John Zeaphey and his lady Margaret. Since there was no business conducted, the time was spent in conversation, laughter, and enjoying good food.

We are the widows of Shriners and Blue Lodge Masons who meet the second Wednesday of each month for camaraderie and good times. Our meetings are open to all widows of Free Masons and we encourage these ladies to join us. If you desire to come, please call Kay Bell at 303-430-9001 for a reservation, or just come on about 11:30 am and pull up a chair. We meet at the Chalet Restaurant, 7340 West 38th Avenue, Wheat Ridge. Dress is casual. Order from the menu for good food and excellent service, share your news and observations with us. There is a lot of laughter and good times, so please join us.

SANDBLASTERS OF EL JEBEL

BY MATTHEW MADRID

The Sandblasters held their Annual Meeting on November 27th, 2019 at the Golden Corral Restaurant and 10 members and guest Grady Carter were in attendance.

Discussions for the yearly winter trip continued. The winter trip is still planned for February 19th thru February 26th at the San Marcos Golf Club in Chandler, Arizona. The winter trip has always been a nice get-away when the weather in Colorado is cold and miserable. There is still space available for any Sandblasters, their family, or guests. If you have interest in the trip please contact President elect Larry Bangert (303-947-9600) or Vice President elect Matthew Madrid (915-760-7446) for more information.

In regards to health please keep our brother Claude Akridge's wife Shirley in your thoughts. Shirley passed away earlier this month and prayers during this difficult time for Claude and his family are most appreciated.

The Sandblasters meet on the last Wednesday of each month at the Golden Corral at 11:30 AM on West Hampden Ave. (River Point shopping complex). If you have any interest in golfing or joining our group, please come visit us. Guests are always welcome.

HAPPY NEW YEAR, EVERYONE!

Hope all of you enjoyed the holidays with family and friends and are now ready to begin a New Year!

In December, lots of holiday parties filled the month and kept us busy; many people out of town enjoying a cruise or just visiting relatives for the holidays.

This month, El Mejdél Temple celebrates its birthday with a luncheon, Unit performances and a Ceremonial. We always welcome new members and are looking forward to our candidate's initiation.

We do have some important events coming up the first part of this year. At our February Session, a Memorial Service will be presented under the direction of Pr. Chaplain, Kris MacPherson. This will be in honor of those members who have passed during the 2019 year.

The El Mejdél Mystery Dinner Theatre is scheduled for Sunday, February 9th from 2:00-4:00 pm at Highlands Masonic Lodge. Reservation deadline is Monday, February 3rd. A flyer is enclosed with this issue of the RED FEZ. Tickets are going well, so time is of the essence.

Of course, our Open Installation of New Officers is scheduled for Saturday, March 21st at 1:00 pm at the Highlands Masonic Lodge. A Flyer is enclosed with the information. We hope you will be able to attend.

OPTARS

By J & J TAYLOR

On Tuesday, December 3, 2019, the Optars did not hold their annual Christmas dinner at the Homestead Grille in Lakewood. Instead, the Optars accepted the RV Roamers invitation to enjoy the Brunch at Mt. Vernon Canyon Club on Sunday, December 1.

There were eight Members present. There was no Optars business.

Divan – With six Divan members present, Joe Kent reported the 2020 Potentate's trip will be to Jamaica on April 4-11 and Ron Williamson talked about IHOP Pancake Day on February 25th, 2020.

The Computer Club and Optars Units took and printed pictures at the Children's Christmas Party on December 7. We had five people and the Computer Club equipment. \$54.00 has been deposited in each club's accounts.

Optars will be taking pictures of the Divan on January 13th before the dinner and installation of new officers. We will be using a backdrop and Ed Hamm will be using his camera.

The next Optars meeting will be held on January 7th, starting at 5:30 at the Citron. The program around 7:00 at the Shrine, will be looking at making a book cover or some kind of advertising brochure for the zoo, restaurant, wildlife magazine, etc. Come and join us! Guests are always welcome.

NORTHEAST COLORADO SHRINE CLUB

BY JERRY WARDRIP, SECRETARY

December 2019 meeting of the Northeast Colorado S. C. December 2019 Meeting of Colorado Outpost #1

We started our meeting with a prayer and the Pledge, and then moved on to report on some of the community projects we are working on with our other Masonic bodies. We had our first weekend of assisting Santa with the workshop and pictures at Home Depot on the 7th and 8th. We had about “one hundred and fifty kids participate building some Christmas toys and getting a picture with Santa. We will do it again on the 14th and 15th. It only takes up 4 or 5 hours and is a lot of fun helping kids build simple little toys. We had a good turnout at the Sterling Parade of Lights, we had about 20 men women and children assist us with the float. We had riders and walkers (we cannot throw candy from the float) handing out candy along the parade route. We only go about 8 blocks all lined with people and lots of kids. We made short work of about 200 lbs of candy.

We have more projects coming in the first months of 2020, such as the Burns Night in January and Sweetheart dinner and gathering in February and our big Chili Cook-off in March. We have a lot of projects in the works and it takes all of our Masonic Brothers help to pull them off, so out here in Northeast Colorado Masonry is a multi body cooperation to get things done. We will also be doing some degree work as we have some Brothers ready to move on gathering more light.

As you can see Masonry is alive and well out here in Northeast Colorado. You are welcome to meet with us at 6:00 AM and have a hearty breakfast the 2nd Monday of each month at the Overland Trail Café at the Atwood interchange on I 76 and State highway 63.

Merry Christmas Everyone

FOR RV ROAMERS

BY J. & J. TAYLOR

Wow! 2019 sure flew by fast! We hope you have had a good healthy one, and will have a healthy 2020. Other than a few blips along the way, ours turned out pretty good!

On December 1st, Roamers' "Inning" met at Mt. Vernon; Talkingtons were the "hosts". They invited other units and "dignitaries" (Bobby and his bunch) to join them in a most delicious brunch. There were 54 Shriners and their guests; they met upstairs for the meal and got to see new beautiful and interesting views of the hills, valleys and city.

President Jim first announced that Judy was in the hospital with a kidney problem (now recovering) then called the meeting to order after they were done grazing and eating the brunch. Introductions of the Past Potentates, Tony Dattilo and Larry Clark, were made, along with Ill Sir Bobby Marner and one Roamers Past President, Kent Eckley. The minutes were approved as published via email. Richard (thanks, Heidi!) gave a Treasurer's report.

On the "Not Well" list, are Marylyn Hepp, Judy Taylor and Nicole Potter. Also, the Kohlweys' daughter was in the hospital, and neither Dave nor Arlene felt well enough to attend the Roamer's "Inning".

Old Business – Dues are due (\$25)

New Business – Next meeting, Jan 19 – Malone's – Tony & Ellen Dattilo will be our hosts. The 2020 rosters for Roamers were handed out.

Future Events – May 17 – Candlelight Dinner Playhouse – "Curtains" – Jim is taking names anytime up to April 15, 2020. June 26, 27 – Chatfield – Sign up for loop D Starting 12/25 or 26.

Introduction of Guests – Because we had a total of 54 people attend our Brunch and Meeting, Jim elected to have each table's diners stand up separately and introduce themselves.

Good of the Order – Drive safely going home.

Divan Rep – Ron Williamson

12/7 – Children's Christmas Party.

12/9 – El Jebel Elections.

Ill Sir Bobby Marner – A wonderful year with great activities. He totally enjoyed his term as Potentate.

Thanks to all who joined the Roamers this year for a fun and memorable occasion. You're welcome to join us in 2020 on December 6th – we hope to be here again at Mt. Vernon!

DUNE BUGGY BLAST

BY DON WEISER

December has come and gone, and the New Year has started. Here's hoping that you have survived the holidays and are ready to begin a new year with El Jebel Shrine and your Dune Buggy Patrol.

Since it's winter, and we haven't any parades for a while, I suspect that all our buggy's are in hibernation for the winter. Hopefully we are resting up and thinking about the improvements we will make to our beloved rides before next parade season. I'm also hoping that we are giving serious thought to doing some traveling in 2020.

Imperial session is in July, in Kansas City. Since it's so close, it would be a shame to not have a good representation for competition from the Dune Buggy's. Competition is on Saturday, July 4th, at Arrowhead Stadium. CSSA is in Springfield, Mo., from September 2nd to 5th. It would be wonderful to have our Dune Buggy's well represented in competition also. If you haven't been to CSSA, it's a great time, with lots of Shrine fellowship. Please think about these events, and let Don Weiser know so he can do the planning for housing.

RON WILLIAMSON CHIEF RABBAN ELECT

Nobles:

I am the Chief Rabban elect for the year 2020.

I have been a Shriner for 27 years and I am extremely proud of the work we do as Shriners in our Hospitals.

My goal for the coming years is to share the amazing life-changing work we do as Shriners and encourage others to join us.

My wife, Robyn, and I have been married for 51 years. We have 2 children. Our daughter Michele and her husband Phil have 2 children Sydney and Austin and our son Bryan and his wife Colleen have 1 child Finley. When we are not busy with Shrine activities we are busy going to hockey games, soccer games or school activities.

When I joined the Shrine, I wanted to be involved in the Jeep Patrol. Since then we have been in the Shabab Unit, the Dune Buggy Patrol, Directors Staff and both Robyn and I are involved with the Medical Staff. We enjoy working with and visiting with all the units.

I retired from Xcel Energy after 38 years in the power plants and retired as Maintenance Unit Manager at Cherokee Power Plant in Denver.

As we leave behind the old year and welcome in the new, we would like to wish everyone a Wonderful Holiday and a Happy New Year.

Fraternally, Ron

SUBMITTED BY FEATURE WRITER

ILLUSTRIOUS SIR TONY DATTILO

Christmas Eve was quiet at our home. I watched Ralphie in "A Christmas Story" for the umpteenth time, now a personal tradition not to be missed.

This movie best recalls with vivid accuracy, many of my childhood memories of the 40's - almost like someone closely followed our family and recorded our lives as the script for the movie.

I remember well, the cold winters of Ohio that brought its long standing ice and snow with temperatures that chilled to the bone despite the best efforts of our furnace that belched black smoke from our attempts to keep its hungry maw filled with coal.

My "job" was to transfer the coal when the "Coal Man" dumped a new load of coal at the street side curb. I moved the black rocks of coal, shovel by shovel from the curbside through the open window of the basement coal bin. Each day, the same coal shovel was used to remove the burnt coal ashes and "clinkers" from the furnace until the wooden bushel baskets in the basement were filled and then carried them up the stairs to be placed back at curbside in time for the "Ash Man" to collect the ashes and leave the "empties" for refilling for his next collection day. The dust, smoke and smell of those duties still linger in my senses, refreshed by Ralphie's Dad in the movie's "furnace" scene.

The relief of Christmas time off from school was welcomed as the bully from another school would not be present along the way as I walked to our church each morning to serve as an altar boy for the daily 6 o'clock Mass, or to sing in the boy's choir on Sunday mornings.

The "bully" was a 'big' seventh grade kid, completely replicated in the movie with the taunting voice, coonskin "Davey Crockett" hat, and braces on his yellow teeth. He loved taking our lunch boxes and books away and throwing them into the curbside openings of the sewer. My new "Lone Ranger" lunch box met that fate, as did those that belonged to my third grade friends.

My family in Ohio may remember the visits to the downtown Lazarus "department store" that beautifully decorated their windows with stunning displays of Christmas lights and scenes of interest to all, always including the Nativity setting which brought "life" and reverence to the birth of Christ with no hesitation of violating the "political correctness" nonsense of today.

Real Christmas trees were purchased from one of various vendors, carried home on the roof of our car and decorated by our family, each of us having specific tasks that changed each year as we kids grew older and more "responsible". It was exciting to graduate from carefully placing tinsel on the tree to placing the fragile glass ornaments and later "bubbling" candlelight's on the tree.

My folks were adamantly against my wishes to augment my Lone Ranger cap pistols with a new Red Ryder lever action rifle that actually fired bb's with enough power to "put your eye out".

That wish was satisfied by our next door neighbor who convinced my folks that he would buy one and let me be his "pigeon exterminator" of the dozens of birds that sought his attic as their home. Our neighbor, Mr. Ramey, was an assistant warden for the Ohio State Prison, but to me he was Santa in disguise as I received his gift of the Red Ryder special. Many pigeons were "harvested" to be repurposed as "squab" - a table delicacy savored by those who enjoyed the esoteric fare of baked or roasted "gutter chickens".

We didn't visit the "Store Santa's", but as young children, we were treated to the appearance of "Santa" at our family's gatherings, usually at my grandparents' home on "Cleveland Avenue" (as consequentially referred to in the movie), and portrayed by either my Dad, or my Uncle Joe, in homemade costumes of a red bathrobe (courtesy of my Aunt Rose), and white beards fashioned from cotton.

For us kids, Santa was real but somehow "familiar", but for the adults, 'Santa' was received by continuous shrieks of hysterical laughter. We little ones just assumed that laughter was happiness that was appropriately attributed to Santa's presence. I can still hear my Aunt Rose's laughter as she wiped the joyous tears from her eyes. My serious grandmother was also caught up in the fun with her rarely heard giggles.

The era depicted in the "Christmas Story" movie was in great part, my childhood - the 1940's..so long ago, so vivid in it's street scenes, vehicles and their problems, the modes of dress, hair styles, and situations of life back then. My recall of those days bring with them the shocking reality that most everyone in our family who lived those days are now gone from this life, but stay present in the thoughts and hearts of we few who remain here to carry on some of those traditions with much love and reverence.

GRADY CARTER HIGH PRIEST & PROPHET ELECT FOR 2020

To begin with I feel deeply honored and humbled by the Nobility for electing me to the Divan for 2020. I pledge to do my best for El Jebel Shrine and all its Nobility. Lady Kim and I look forward to interacting with everyone this coming year, so when you see us please say "Hello". We plan to attend this coming years fun filled events and build on the team effort that has embraced us.

We encourage everyone to participate with Potentate elect Joe Kent and the rest of the 2020 Divan. The focus on membership and communication during this coming year is paramount. Working together as a team we can continue to grow, prosper and thrive. Let's be active on Face book and don't forget to submit those articles about your inter bodies to the Red Fez. Remember your Blue lodges and be mindful for potential new members. Bonding together as a team will lead to success and fun.

Fraternally,
Grady Carter

Attached is the year-end letter of Salt Lake City's Chief of Medical Staff Dr Kristen Carroll. This report is a few of our Hospital's 2019 activities.

**Submitted by John Seebeck,
Board of Governors SLC**

**Happy Holidays 2019
and Joyous Wishes for the New Decade~2020!**

Greetings SHC-SLC!

This year I had the pleasure of being invited to a number of fund raising dinners, and our patient ambassador celebration. When I talked with patients and their families, the love and appreciation for our hospital and staff was overwhelming. Over and over again, I heard how much our families appreciate that they are 'seen' and 'known' by the staff. It means the world to them that folks know their names and welcome them to our hospital at each visit. Many families said it felt like a second home to their kids; not scary, but nurturing. This is thanks to all of you-every single one.

Surgery:

This year we did nearly 900 cases in the OR, for a total of 1,985 procedures. Our staff did 61 Spine surgeries-five for the Pasadena Unit for their Mexico population.

Pharmacy:

As noted above with the Epidural use by 131 patients (all solutions mixed by our pharmacy staff), our Pharmacy was busy this year! **They verified over 19,500 orders for accuracy, 620 done afterhours by our on call pharmacist.**

Wheelchair and Seating:

Matt Lowell and his group once again worked their magic this year. Nearly **230 donated wheelchairs** were refurbished **with over 1400 repairs and growth adjustments-** for a donation of nearly \$420,000.

Research/Outcomes:

Speaking of Research, this year has been one of our most productive ever. We hosted two medical students this year-both funded- for summer research appointments.

Education:

SHC-SLC hosts a LOT of students, from many different disciplines. This takes an incredible amount of coordination to stay safe and compliant for the patients we treat.

Outpatient Clinic, Radiology and Dietary Services:

This year our clinic saw over 9,300 clinic visits. We saw over 1,700 new patients and helped our clubfoot population have expanded services; We ran a **total of 412 clinics**, and booked over 760 surgeries.

Language Services/Care Coordination:

All these kids need coordination-and a place to stay! In addition, as we have so many Spanish speaking patients, interpretation is integral to our care. The Ronald McDonald house provided housing for over 325 families.

Therapy Services:

In addition to helping with the Halloween WC clinic-therapy was busy on its own. **They saw over 5,180 visits combined.** Speech saw 550 visits, Occupational Therapy had 914 visits and Physical therapy had 3710 visits. Over 1,200 individual children were assisted in all.

Revenue Cycle:

We will bill over \$40 million in charges this year, with the work done in the OR, clinic, anesthesia and pediatrics all adding in. We are one of the top hospitals in the system on return, at roughly 21%. Net Revenue this year should be roughly \$8 million which is 1 million over our goal. The addition of PA and anesthesia billing alone accounted got \$350,000 of the net total. This is very helpful in offsetting our draw on the endowment.
