Udi Baron and his wife, Fern founded Udi The Sandwich Man in Denver, Colorado in 1994. Their premise was simple: everyone loves delicious food — so why not make some?

More than two decades later, with their daughter Robin and son Etai also on board, and with continued attention to superior ingredients, great culinary sense, and excellent customer service, what started as a small, ready-to-eat sandwich business has grown into six thriving family businesses: a local artisan bakery (where we bake our legendary Izzio breads), a catering company with a state-of-the-art kitchen where we make everything in-house and 10 casual restaurants under the name Etai's Bakery Cafe.

Everything on our new, easy-to-order menu is made in our own state-of-the-art kitchen, with the freshest, premium ingredients. From delicious individual breakfasts and boxed lunches to beautiful trays that offer a variety of options for large gatherings, we have something for every palette.
