SPEAKER GUIDELINES

CONTENT

We are looking for an informative topic as it relates to family law to educate our team & other business professionals. Please email katie@familylawdfw.com with ideas for preliminary approval.

PROCESS

Provide the outline of a lunch & learn-style presentation with 30-45 minutes of content. Alex will approve the outline before Katie works with you to schedule a date.

AGREEMENTS

Upon agreement of your date, we will draft a flyer & schedule it to go out in three places: 2 LinkedIn posts, 2 Facebook posts, & a featured spot in the newsletter prior. We will also provide you the flyer (with our branding) for your own promo.

BRANDING

We partner with businesses & professionals with a strong social media presence. We will use our platform to bring awareness to your content & would love for you to promote the ESS as well.
