

As we move into July, we are excited to welcome another new employee, Jeremy Trezoglou to the FoCo Cafe staff. Jeremy will be working with Jeff this summer and will step into the Cafe's chef position in August. All of us at FoCo Cafe are beyond grateful for the community's support, and we are ecstatic to see where the coming years take us as we continue to grow.

Our **Kids Feeding Kids Summer Breakfast Program** has been a huge success! So far, the program has served **403 healthy meals** to children and their families on Wednesday-Thursday-Friday mornings. This month we played games, met heritage chickens from Sunny Bucket Farm, milked a goat, harvested veggies from our garden, did veggie taste testing, and more (*see photos*)! This program runs until the end of July, and volunteer shifts are available too!

Our Friends Jeremy Mack and Forest Carlson at Friendly Critters Farm will be hosting **CSA share pick ups** at FoCo Cafe this summer in our garden space! Stop in for lunch on Saturdays from 11am-1:30pm and see what's in season June through September!

We hope to see you at the Cafe's **Bike-In Music Festival** this month and for lunch at the Cafe!

Wishing you a joyful July!
